Hi Maria,

Thank you for your email. I completely agree with all your comments. I will NOT be supporting this development in its current form. I will forward your concerns to our city planners for their consideration.

Sincerely,
Rosanna

The proposal demonstrates an overwhelming disregard for compatibility with the existing community and/or does not adhere to the many policies that exist to protect established residential neighborhoods, encourage responsible growth and respect the natural environment.

Existing Official Plan allowances more than adequately provide for ample residential growth.
