Hi Sonia,

Thank you for your email. Unfortunately under the planning act we are obligated to receive all applications. We then have a process where planning staff review and report to Council. I completely agree with all your comments!! I will NOT be support this development in its current form. I will forward your concerns to our city planners for their consideration.

Sincerely,

Rosanna

Hello I am writing to you to express my extreme anger and dissatisfaction with the city of Vaughan for even considering put up such a high rise in our community. All of the residents in Vaughan came to avoid the high rises of Toronto and what they bring.

This particular subdivision is a well maintained and highly sought after community because of the beautiful homes and parks. Developing this atrocity will lower our home values and disintegrate the neighborhood.

Please do not put this up in our neighborhood Keep the high rises at Hwy & and Weston road where reh mayor said he would build downtown Vaughan. Not in our family neighborhoods. Shame on the mayor for even giving this a thought.

Myself , my neighbors and community are categorically opposed to this.

Regards,
