This is to confirm my strong
objection to the subject application
at 3812 Major Mackenzie. The
proposal demonstrates an
overwhelming disregard for
compatibility with the existing
community and/or does not adhere
to the many policies that exist to
protect established residential
neighborhoods, encourage
responsible growth and respect
the natural environment.

Considering the glaring divergence
from the existing policies and the
lack of care shown to the existing
community, I trust this will strongly
contribute to the refusal of this
application and encourage a more
thoughtful and well aligned
proposal that includes respectful
compatibility with the existing
community. Existing Official Plan
allowances more than adequately

provide for ample residential growth. The requested amendments are unreasonable and should be swiftly declined. I care greatly about our City and will always support its progress when done so in a respectful and fair manner. This is not about stopping development. Instead this is more about supporting responsible growth.
