Date applications were deemed complete: November 16, 2021

Previous applications were submitted and approved on the Subject Lands

On November 23, 2011, the Ontario Municipal Board ('OMB'), now known as the Ontario Land Tribunal ('OLT'), approved Official Plan Amendment ('OPA') No. 712 (File OP.08.010) and Zoning By-law 234-2010 (File Z.08.039) for the Subject Lands (OMB File Nos. PL10154 and PL110137).

OPA 712 and Zoning By-law 234-2010 permitted a mixed-use residential and commercial development consisting of two 12-storey residential apartment buildings and two commercial buildings with maximum building heights of 2 and 3 storeys, and an FSI of 1.58 times the area of the lot, as shown on Attachment 7. The residential component was approved for a total of 430 apartment dwelling units and semi-detached and block townhouse units (comprising a maximum of 68 block townhouse and two semi-detached dwelling units or a maximum of 70 block townhouse units) with a residential gross floor area ('GFA') of 55,707 m². The commercial component was approved with a combined GFA of 2,473 m².

The approved height, density and land use permissions for the Subject Lands were carried forward into Schedule 13 – Land Use of Vaughan Official Plan 2010 ('VOP 2010').

On January 28, 2014, the previous owner submitted an application for Draft Plan of Subdivision (File 19T-14V001) to create the blocks to facilitate the development of the Subject Lands for residential uses, commercial/retail/office uses, and a park, in accordance with the permitted uses and development criteria established by OPA 712 and Zoning By-law 234-2010. The Committee of the Whole (Public Meeting) Report for the Draft Plan of Subdivision was considered by Vaughan Council on April 29, 2014; however, a comprehensive report was not prepared by the Development Planning Department for consideration at a future Committee of the Whole meeting as the application was not pursued by the previous Owner.

In addition to the above-noted applications, Site Development applications (Files DA.14.007 and DA.14.008) were submitted by the previous Owner to facilitate the development of the commercial and residential uses on the Subject Lands but was not pursued. Zoning By-law Amendment File Z.14.004 was also submitted to facilitate the removal of the holding symbol '(H)' which had been applied on a portion of the Subject Lands through Zoning By-law Amendment File Z.08.039 but was also not pursued.

Should the Official Plan and Zoning By-law Amendment applications be approved, the Owner will revise Draft Plan of Subdivision File 19T-14V001 and Site Development Files DA.14.007 and DA.14.008 to reflect the new development.

Council resolved to continue processing development applications under the existing Vellore Centre policy framework in VOP 2010

The Subject Lands are located within a Local Centre as shown on Schedule 1 – Urban Structure of VOP 2010, more specifically the "Vellore Centre" as identified on Figure 6 – Intensification Areas of VOP 2010.

On October 21, 2020, Vaughan Council directed staff to explore options for possible land use studies to guide development in the Vellore Centre.

On April 7, 2021, Council considered the staff report "Response to Council Direction to Explore Land Use Study Options for Vellore Centre" at the Committee of the Whole (1) Meeting.

Analysis and Options

An amendment to VOP 2010 is required to permit the Development

Official Plan Designation:

- “Local Centres” on Schedule 1 – Urban Structure by VOP 2010
- The Urban Structure of the City establishes a hierarchy of Intensification Areas that range in height and intensity of use
- Local Centres are identified as an Intensification Area and act as the mixed-use focus for their respective communities, in a manner that is compatible with the local context (i.e. are lower in scale and offer a more limited range of uses)

- “Mid-Rise Mixed-Use” on Schedule 13 – Land Use by VOP 2010 with a maximum building height of 12 storeys and FSI of 1.581 times the area of the lot.
- This designation permits mid-rise buildings with a building height of 12 storeys and an FSI of 1.581
- An amendment to VOP 2010 is required to redesignate the high-rise building type, specifically the height, density, and site-specific development criteria for the proposed Development
