Zoning By-law Amendment File Z.16.043 (Phase 1), Zoning By-law Amendment File Z.17.009 (Phase 2) and Draft Plan of Subdivision File 19T-17V004 (Phases 1 and 2) were submitted by Centra (Major Mack East) Inc., to rezone the Subject Lands from "RR Rural Residential" to "RT1 Residential Townhouse Zone" (Phase 1) and "RVM2 Residential Urban Village Multiple Family Zone Two" (Phase 2), subject to site-specific exceptions. The applications proposed the development of the Subject Lands in two phases, with 30 townhouse dwellings within 6 blocks (Phase 1) and a condominium development comprised of 52 stacked townhouse units within 5 blocks and 12 townhouse units within 2 blocks, accessed by a new public road (Phase 2), as shown on Attachment 7.

Zoning By-law Amendment Z.16.043 and Draft Plan of Subdivision File 19T-17V004 received approval from Council on October 2, 2019, to develop Phase 1 of the Subject Lands with 30.5 street townhouse units, and to create 1 block for future residential development (Phase 2). At the time of preparation of this report, Draft Plan of Subdivision File 19T-17V004 has not been registered.

Zoning By-law Amendment Z.17.009 (Phase 2) was subsequently closed by the Owner when the City received Official Plan Amendment File OP.21.023 and Zoning By-law Amendment File Z.21.047 for the Subject Lands, which is subject to this Report.

Council resolved to continue processing development applications under the existing Vellore Centre policy framework in Vaughan Official Plan 2010

The Subject Lands are partially located within a Local Centre as shown on Schedule 1 – Urban Structure of Vaughan Official Plan 2010 (‘VOP 2010’), more specifically the “Vellore Centre” as identified on Figure 6 – Intensification Areas of VOP 2010.

On October 21, 2020, Vaughan Council directed staff to explore options for possible land use studies to guide development in the Vellore Centre, where the Subject Lands are partially located. On April 7, 2021, Vaughan Council considered a Committee of the Whole Report prepared by the Policy Planning and Special Programs Department that provided the following three options to address land use in the Vellore Centre: (1) maintain the existing policy framework, (2) prepare an area-specific land use study with a focus on urban design and (3) prepare a Secondary Plan. Given the three options, the Development Planning Department recommended:

“THAT the existing policy framework continue to be the basis for processing development applications in the Vellore Centre” (Option 1).

On April 20, 2021, Council adopted the recommendation without amendment.

Official Plan and Zoning By-law Amendment Applications have been submitted to permit the proposed development

The Owner has submitted the following applications (the ‘Applications’) for a portion of the Subject Lands identified on Attachment 1 to permit a tiered 2 to 12-storey

residential apartment building with a total of 348 units and a Floor Space Index ('FSI') of 2.78 times the area of the lot with two levels of underground parking (the 'Development'), as shown on Attachments 2 to 6:

1. Official Plan Amendment File OP.21.023 to redesignate a portion of the Subject Lands from "Low-Rise Residential" and "Low-Rise Mixed-Use" with a maximum building height of 4 storeys and a FSI of 1.5 times the area of the lot, to "Mid-Rise Residential" with a maximum building height of 12 storeys and a FSI of 2.78.
2. Zoning By-law Amendment File Z.21.047 to rezone a portion of the Subject Lands from "RR Rural Residential Zone", subject to site specific exceptions 9 (105, 294 and 1359) and "RT1 Residential Townhouse Zone," subject to site-specific exception 9(1498) to "RA3 Apartment Residential Zone" in Zoning By-law 1-88, in the manner shown on Attachment 2, together with the site specific exceptions identified in Table 1 of this report.

The Owner shall also be required to amend Zoning By-law 001-2021 to rezone a portion of the Subject Lands from "RE Estate Residential Zone" and "RT Townhouse Zone" both subject to site specific Exception 14.46 to "RM3 Multiple Unit Residential Zone", in the manner shown on Attachment 2, together with the site-specific exceptions identified in Table 2 of this report.

Public Notice was provided in accordance with the Planning Act and Council's Notification Protocol

- a) Date the Notice of Public Meeting was circulated: March 11, 2022.

The Notice of Public Meeting was also posted on the City's website at www.vaughan.ca and Notice Signs were installed along Major Mackenzie Drive West, Sydney Circle and Farooq Boulevard in accordance with the City's Notice Signs Procedures and Protocols.

- b) Circulation Area: an extended polling area to all property owners within 750 m of the Subject Lands, as shown on Attachment 1, and to the Millwood Woodend, Greater Woodbridge and Vellore Woods Ratepayers Associations, and to anyone on file with the Office of the City Clerk having requested notice.
- c) The following is a summary of written comments received by the Development Planning Department as of March 15, 2022. The comments are organized by theme as follows:

Access, Traffic and Parking

- the Development will result in long vehicle traffic cues along Sandwell Street and Sunset Terrace in order to reach Weston Road and Rutherford Road
- the Development should propose vehicular access from Major Mackenzie Drive to alleviate traffic concerns
- the distribution of traffic in this area is a serious issue considering existing and proposed future development
- traffic planning is extremely important in this area

Density, Built Form and Building Design

- the proposed building is too tall and too dense

Other

- denser places are known to affect quality of life
- the Development will transform the character of the area, change citizens lifestyle and their financial, physical and physiological well being

Any additional written comments received will be forwarded to the Office of the City Clerk to be distributed to the Committee of the Whole as a Communication and be reviewed and addressed by the Development Planning Department in a future comprehensive report to the Committee of the Whole.

Non-statutory consultations were undertaken between the Owner and the local Ratepayers Associations prior to submission of the Applications

An amendment to VOP 2010 is required to permit the Development

Official Plan Designation:

- “Community Areas” and “Local Centres” (Intensification Areas) on Schedule 1 – Urban Structure by VOP 2010
- “Low-Rise Residential” and “Low-Rise Mixed-Use”. The “Low-Rise Mixed-Use” designation permits a maximum building height of 4 storeys and a FSI of 1.5 times the area of the lot, as shown on Schedule 13 – Land Use by VOP 2010
- Section 9.2.2.2.c of VOP 2010 requires lots designated “Low-Rise Mixed Use” to predominantly consist of mixed-use buildings with retail or other active uses at grade.
- These designations do not permit a stand-alone residential apartment building with a maximum building height of 12 storeys and an FSI of 2.78
- An amendment to VOP 2010 is required to address the proposed stand-alone residential use, built form, building height and density
- The Owner proposes to redesignate the southerly portion of the Subject Lands identified as “Area Subject to Applications”, as shown on Attachment 1, from “Low-Rise Residential” and “Low-Rise Mixed-Use” with a building height of 4 storeys and a FSI of 1.5 times the area of the lot, to “Mid-Rise Residential” with a maximum building height of 12 storeys and a FSI of 2.78 times the area of the lot.
