PETITION TO OPPOSE THE APPLICATION AMENDMENT AND ZONING BY-LAW AMENDMENT. TO PERMIT THE CONSTRUCTION FOR A 21 STOREY HIGH RISE RESIDENTIAL BUILDING WITH 339 RESIDENTIAL UNITS.

9650 Highway 27 is located within the Kleinburg Valley Corridor. Special policies are in place to protect these valley lands from development and site alteration. Our valley lands and green spaces within York Region are one, if not the most, precious resource we have. These lands must be protected at all costs for the health and well-being of our community and for future generations. For these very reasons, we ask for your support in stopping the construction of a high-rise building at this location.

By signing this petition you are in agreement that you strongly oppose this application.
