To whom it may concern,

Please be advised that we are in receipt of a letter regarding the above proposed development.

We are the owners of the property at [REDACTED] Highway #27, located just north of the subject property.

For the record, at this time, our position is neutral.

As this application moves forward, if there are concerns that impact our property, we will raise them with the owners and City.

If someone from the clerks office can confirm receipt of this email and that it becomes public record, and we be kept in the circulation would be appreciated.

Thanks

Dino Giuliani AACI P.App.
