Subject: [External] Minor Variance Application A264/21 - Support

Hello.,

I received a notice of hearing - Minor Variance Application A264/21 - for 33 Venice Cres, Thornhill, ON.

We live on Venice Cres and we do not have anything against this permit. Please allow them to proceed as the construction will take place in their backyard and won't change the street curb appeal in any way. We support this permit.

Please let me know if you have any questions or concerns.
