Hi, I'm the owner at 9880 Keele St. After reading everyone's comments regarding 23 Jackson St I am NOT in favour their request due to the fence already been up attached to our garage property (Ada's message) Fence attached to our garage is totally UNACCEPTABLE. Any damage toward to our property will be at 23 Jackson's responsibility for their expenses. To prevent problems arises, fence should be removed immediately.

Regards

Franca
