Item No. 1

Update on the Black Creek Renewal Project

April 24 2024

VMC Sub-Committee

Design Vision

The Black Creek Renewal and Edgeley Pond & Park will act as catalysts for the VMC by supporting its dynamic and fast-paced transformation through innovative ecologically-sensitive stormwater management design, creation of unique spaces, and the seamless integration of parkland amenities where VMC residents and visitors can interact, learn, play, and grow.

Design Principles

The Black Creek Design is based on the following guiding principles:

1. Re-align and Reconstruct the Black Creek Corridor
2. Address Flooding Impacts to Adjacent Properties
3. Implement a Public Realm
4. Establish Habitat and Enhance Ecology
5. Celebrate Stormwater
6. Educate and Inform

Components

1. Edgeley Pond & Park
2. Highway 7 Culvert Improvements
3. Black Creek Renewal

1. Edgeley Pond & Park

2. Highway 7 Culvert

Existing condition

Proposed upgrade

3. Black Creek Renewal

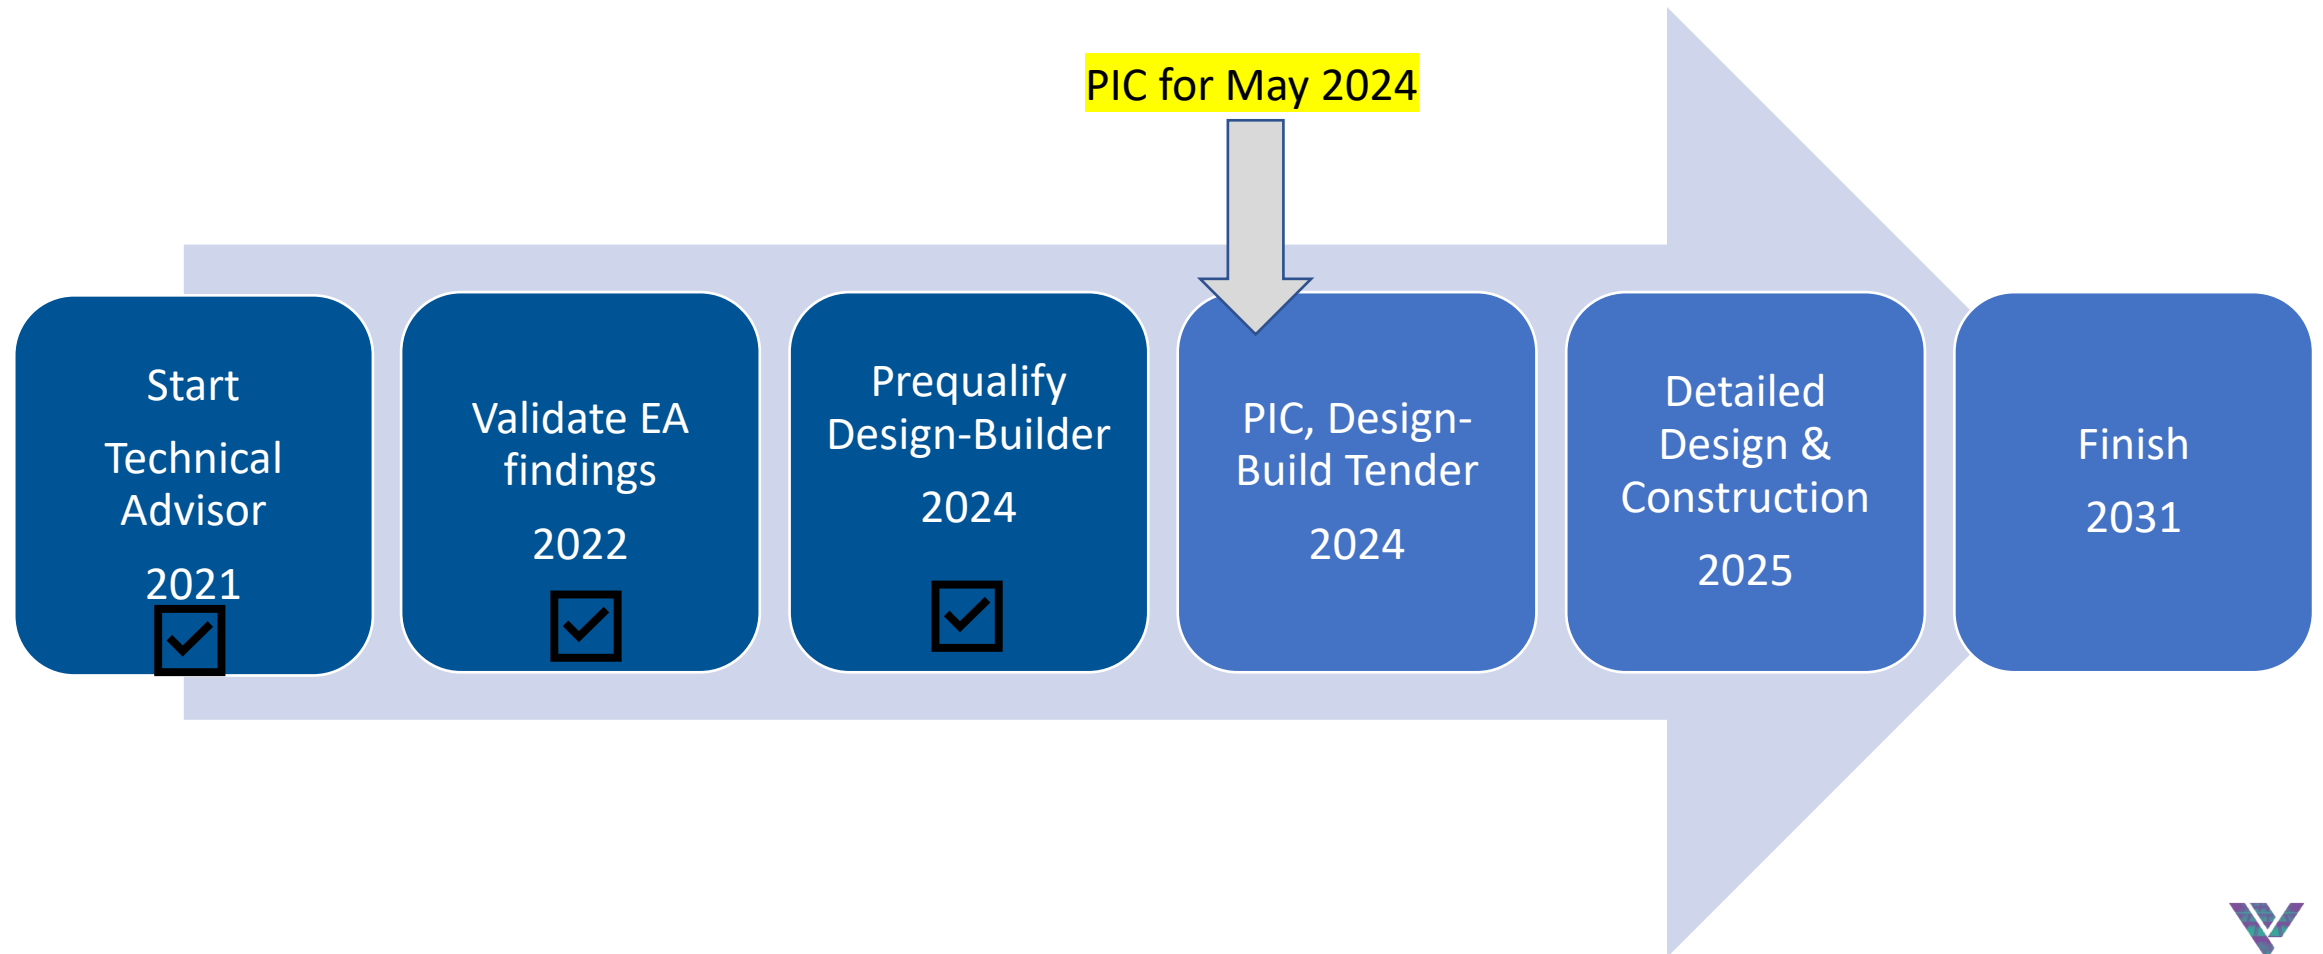

Work Progress

- Completed the validation of the preferred alignment
- Completed prequalification of Design-Builders
- Public Information Centre - May 2024
- Property acquisition ongoing
- Submitted grant application (decision pending):
 - Federal (2023): Disaster Mitigation and Adaptation Funds (DMAF)
 - Provincial (2024): Housing Enabling Water System Funds (HEWS)

Project Timeline

Upcoming Public Information Centre

Flood prevention in the VMC

Open House

May 2 | 6:30 p.m.

vaughan.ca/BlackCreek

At David Braley Centre
(200 Apple Mill Rd)
Main Floor

Thursday May 2, 2024
6:30pm to 8:30pm

Can't attend in Person?

Presentation board will be posted online at vaughan.ca/blackcreek on May 2, 2024

Thank You.
