Block 4S Ground Floor Site Plan (First Submission)

Comments from External Agencies – Bell Canada

Issue	Resolve
Identified need for transfer of easement to protect buried facilities.	<p>(A) Buried facilities locations identified by Bell are not accurate to existing conditions. Existing Bell lines to be abandoned</p> <p>(B) Pre-existing agreement between landowner and Bell exists to resolve buried facilities within vicinity of subject site, which includes provision of temporary overhead realignment.</p> <p>(C) New Bell buried cable has been designed to follow the planned Phase 1 joint utility trench (JUT).</p> <ul style="list-style-type: none"> • Bell to confirm if easement is necessary given review of pre-development and post-development condition.

Thank You
