Consolidated Financial Statements of

**THE CORPORATION OF THE  
CITY OF VAUGHAN**

Year ended December 31, 2018

## INDEPENDENT AUDITORS' REPORT

To the Mayor, Members of Council, Inhabitants and Ratepayers of  
The Corporation of the City of Vaughan

### ***Opinion***

We have audited the consolidated financial statements of The Corporation of the City of Vaughan (the Entity), which comprise:

- the consolidated statement of financial position as at December 31, 2018
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of change in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at December 31, 2018, and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

## **DRAFT** Notes to Consolidated Financial Statements

Year ended December 31, 2018

---

The City of Vaughan is a lower-tier municipality located in the Regional Municipality of York, Province of Ontario, Canada. It conducts its operations guided by the provisions of provincial statutes, such as the Municipal Act, Municipal Affairs Act and related legislation.

### **1. Significant accounting policies:**

The consolidated financial statements of The Corporation of the City of Vaughan (the "City" or "City of Vaughan") are prepared by management in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant accounting policies adopted by the City are as follows:

(a) Basis of consolidation:

(i) Consolidated entities:

The consolidated financial statements reflect the assets, liabilities, revenue, expenses and accumulated surplus of the reporting entity. The reporting entity comprises all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the City and which are owned or controlled by the City, except for the City's government business enterprises, which are accounted for on the modified equity basis of accounting.

The consolidated financial statements include:

- The Corporation of the City of Vaughan Public Library Board; and
- Board of Management for the Kleinburg Business Improvement Area.

Interdepartmental and inter-organizational transactions and balances between these entities have been eliminated upon consolidation.

## 1. Significant accounting policies (continued):

### (ii) Investments in government business enterprises:

The City's investments in Vaughan Holdings Inc., Hydro Vaughan Energy Corporation, 1446631 Ontario Inc. and Alectra Inc., collectively referred to as "Hydro Vaughan Corporations", are accounted for on a modified equity basis, consistent with the generally accepted accounting treatment for government business enterprises. On January 31, 2017, PowerStream Holdings Inc. ("PowerStream") merged with Enersource Holdings Inc. ("Enersource") and Horizon Holdings Inc. ("Horizon") to form Alectra Inc. ("Alectra"). Under the modified equity basis, the business enterprise's accounting principles are not adjusted to conform with those of the City, and inter-organizational transactions and balances are not eliminated. The City recognizes its equity interest in the annual income or loss of the Hydro Vaughan Corporations in its consolidated statement of operations and accumulated surplus with a corresponding increase or decrease in its investment asset account. Any dividends that the City receives from the Hydro Vaughan Corporations are reflected as reductions in the investment asset account.

### (iii) Accounting for Regional Municipality of York (the "Region" or "Region of York") and school board transactions:

The taxation, other revenue, expenses, assets and liabilities with respect to the operations of the Region and the school boards are not reflected in these consolidated financial statements. Information on amounts collected and remitted to the Region and the school boards is provided in note 2.

### (iv) Trust funds:

Trust funds and their related operations administered by the City are not included in these consolidated financial statements. Information on trust funds balances is provided in note 14.

### (v) Sinking funds:

Sinking funds and their related operations are administered by the Region and, as such, are not included in these consolidated financial statements.

Year ended December 31, 2018

## 1. Significant accounting policies (continued):

### (b) Basis of accounting:

The City follows the accrual method of accounting for revenue and expenses. Revenue is normally recognized in the year in which it is earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

The annual cost of owning and using tangible capital assets (estimated amortization) is deducted from annual results. That is, a portion of the cost of the asset is recognized in annual results in each of the periods of its useful life.

### (c) Cash and cash equivalents:

Cash and cash equivalents consist of deposits in banks, certificates of deposits and investments with original maturities of three months or less.

### (d) Investments:

Investments are recorded at cost or amortized cost. Investment earnings are accounted for on the accrual basis. Premiums and discounts are amortized over the life of the investment.

### (e) Long-term debt:

Long-term debt is recorded net of related sinking fund balances.

### (f) Government transfers:

Government transfers are recognized in the consolidated financial statements as revenue in the year in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made.

### (g) Deposits and deferred revenue:

Deposits and deferred revenue represent user fees and charges that have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenue in the fiscal year the services are performed.

# THE CORPORATION OF THE CITY OF VAUGHAN

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2018

---

## 1. Significant accounting policies (continued):

### (h) Deferred revenue - obligatory reserve funds:

The City receives development charge contributions and payments in lieu of parkland under the authority of provincial legislation and City bylaws. The City also receives federal gas tax revenue and other transfer payment from other levels of governments. These funds, by their nature, are restricted in their use and, until applied to applicable capital works, are recorded as deferred revenue. Amounts applied to qualifying capital projects are recorded as revenue in the fiscal period they are expensed.

### (i) Pension, vacation entitlements and employee benefits:

The City accounts for its participation in the Ontario Municipal Employees Retirement System ("OMERS"), a multi-employer public sector pension fund, as a defined contribution plan. Vacation entitlements are accrued for as the entitlements are earned. Other post-employment benefits and compensated absences are accrued in accordance with the projected benefit method prorated on service and management's best estimate of salary escalation and retirement ages of employees. Actuarial valuations, where necessary for accounting purposes, are performed triennially. The discount rate used to determine the accrued benefit obligation is determined by reference to the market interest rates at the measurement date on high-quality debt instruments with cash flows that match the timing and amount of expected benefit payments. Unamortized actuarial gains or losses are amortized on a straight-line basis over the expected average remaining service life of the related employee groups.

Unamortized actuarial gains/losses for event-triggered liabilities, such as those determined as claims related to the Workplace Safety and Insurance Board ("WSIB") are amortized over the average expected period during which the benefits will be paid.

Costs related to prior period employee services arising out of plan amendments are recognized in the period in which the plan is amended. Where applicable, the City has set aside reserve funds intended to fund these obligations either in full or in part. These reserve funds were created under municipal by-law and do not meet the definition of a plan asset under PS 3250, Retirement Benefits. Therefore, for the purposes of these consolidated financial statements, the plans are considered unfunded.

A full actuarial valuation of the post-retirement non-pension benefit obligation and the WSIB obligation was completed in February 2018 for 2017, 2018 and 2019 in accordance with the financial reporting guidelines established by PSAB.

## 1. Significant accounting policies (continued):

### (j) Taxation and related revenue:

Property tax bills are prepared by the City based on assessment rolls issued by the Municipal Property Assessment Corporation. Tax rates are established annually by City Council, incorporating amounts to be raised for local services, the requisition made by the Region in respect of regional services and amounts the City is required to collect on behalf of the Province of Ontario in respect of education taxes. The Province of Ontario has enacted legislation known as "Continued Protection for Property Taxpayers" which, commencing with the 2005 tax year, limits assessment-related increases in property tax bills to 10% annually for commercial, industrial and multi-residential classes of property until the affected properties are taxed at a level equivalent to the tax otherwise calculated based on their current value assessment.

The assessment process includes the issuance of supplementary assessment rolls which provide updated information with respect to changes in property assessment. Once a supplementary assessment roll is received, the City determines the taxes applicable and renders supplementary tax billings. Taxation revenue and taxes receivable are recognized when they meet the definition of an asset, the tax is authorized and taxable event has occurred. Property assessments and the related property taxes are subject to appeal. Tax adjustments as a result of appeals are recorded when the result of the appeal process is known.

The City is entitled to collect interest and penalties on overdue taxes. This revenue is recorded in the period the interest and penalties are levied.

### (k) Investment income:

Investment income earned on surplus funds is reported as revenue in the period earned. Investment income earned on obligatory reserve funds is added to the fund balance and forms part of the respective deferred revenue - obligatory reserve fund balances.

### (l) Segment disclosures:

The City adopted PS 2700, Segment Disclosures. A segment is defined as a distinguishable activity or group of activities of a government for which it is appropriate to separately report financial information to achieve the objectives of the standard. The additional disclosure required as a result of this standard is included in note 12.

## 1. Significant accounting policies (continued):

### (m) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

### (i) Tangible capital assets:

Tangible capital assets are recorded at cost, which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, is amortized on a straight-line basis over their estimated useful lives as follows:

---

Land improvements	2 - 100 years
Buildings and facilities	20 - 60 years
Machinery and equipment	5 - 35 years
Vehicles	7 - 18 years
Furniture and fixtures	7 - 15 years
Information technology	2 - 6 years
Leasehold improvements	5 - 50 years
Roads infrastructure	8 - 75 years
Water and sewer infrastructure	20 - 95 years

---

Annual amortization is charged in the year that the asset is available for productive use and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

### (ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.

### (iii) Works of art and cultural and historic assets:

The City manages and controls various works of art and non-operational historical cultural assets including buildings, artifacts, paintings and sculptures located at City sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2018

---

## 1. Significant accounting policies (continued):

### (iv) Interest capitalization:

The City does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

### (v) Leased tangible capital assets:

Leases, which transfer substantially all of the benefits and risks incidental to ownership of property, are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

### (n) Use of estimates:

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the year. Significant estimates include assumptions used in estimating the carrying values of taxes receivable and accounts receivable, provisions for accrued liabilities and in performing actuarial valuations of employee future benefits. In addition, the City's implementation of PS 3150, Tangible Capital Assets, requires management to make estimates of historical cost and useful lives of tangible capital assets. Actual results could differ from these estimates.

### (o) Presentation of budget information:

The 2018 budget figures, as presented in these consolidated financial statements, consist of the operating, capital, and water, wastewater and stormwater budgets as approved by City Council.

## 1. Significant accounting policies (continued):

### (p) Adoption of new accounting policies:

The City has adopted the following PSAB Standards effective January 1, 2018:

#### (i) Assets (PS 3210):

PS 3210 provides additional guidance on the definition of assets and what is meant by economic resources, control, past transactions and events and from which future economic benefits are to be obtained. For the year ended December 31, 2018, all material assets have been disclosed and reported within this definition.

#### (ii) Contingent assets (PS 3320):

PS 3320 introduces a definition for possible assets arising from existing conditions or situations involving uncertainty which will be ultimately resolved when one or more future events occur that are not wholly within the government's control. Disclosure of a contingent asset is required under this standard when the occurrence of a confirming future event is likely.

Government funding established through an agreement and not yet received at December 31, 2018 are included in receivables and do not fall within this standard.

#### (iii) Contractual rights (PS 3380):

PS 3380 requires disclosure of information pertaining to future rights to economic resources arising from contracts or agreements that will result in both an asset and revenue in the future. Note 15 provides disclosure regarding the nature, extent and timing of contractual rights.

#### (iv) Related party disclosures (PS 2200):

A related party exists when one party has the ability to exercise control or shared control over the other. Related parties include key management personnel, their close family members and the entities they control or have shared control over. Related party transactions are disclosed if they occurred at a value different from that which would have been arrived at if parties were unrelated and the transaction has a material effect on the consolidated financial statements.

## 1. Significant accounting policies (continued):

For the year ended December 31, 2018, there are no such related party transactions to disclose. The City has a number of city-wide controls, guidelines and policies to mitigate risk that related party transactions are not identified or non-compliant, including policies covering procurement, conflicts of interest, use of City resources, and standards of behaviour.

### (v) Inter-entity transactions (PS 3420):

PS 3420 provides guidance on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective. The main features of this new standard deal with the measurement of these transactions. All City transactions are recorded at the exchange amount, being the amount agreed to by both parties. For the year ended December 31, 2018, there were no material inter-entity transactions to disclose.

### (q) Future accounting pronouncements:

These standards and amendments were not yet effective for the year ended December 31, 2018, and have therefore not been applied in preparing these consolidated financial statements. Management is currently assessing the impact of the following accounting standards updates on the future consolidated financial statements.

- (i) PS 3430, Restructuring Transactions, requires that assets and liabilities in restructuring transactions be measured at their carrying amount. It also prescribes financial statement presentation and disclosure requirements. This standard is effective for fiscal periods beginning on or after April 1, 2018 (the City's December 31, 2019 year-end).
- (ii) PS 1201, Financial Statement Presentation, was issued in June, 2011. This standard requires entities to present a new statement of remeasurement gains and losses separate from the consolidated statement of operations and accumulated surplus. This new statement includes unrealized gains and losses arising from remeasurement of financial instruments and items denominated in foreign currencies and any other comprehensive income that arises when a government includes the results of government business enterprises and partnerships. This section is effective for fiscal years beginning on or after April 1, 2019 and applies when PS 3450, Financial Instruments, and PS 2601, Foreign Currency Translation, are adopted (the City's December 31, 2020 year-end).

### 1. Significant accounting policies (continued):

(iii) PS 3450, Financial Instruments, establishes the standards on accounting for and reporting all types of financial instruments including derivatives. The effective date of this standard has been deferred and is now effective for fiscal periods beginning on or after April 1, 2021 (the City's December 31, 2022 year-end).

(iv) PS 2601, Foreign Currency Translation, establishes the standards on accounting for and reporting transactions that are denominated in a foreign currency. The effective date of this standard has been deferred and is now effective for fiscal periods beginning on or after April 1, 2021 (the City's December 31, 2022 year-end). Earlier adoption is permitted. A public sector entity adopting this standard must also adopt the new financial instruments standard.

### 2. Operations of school boards and the Region of York:

During 2018, requisitions were made by the district school boards and the Region of York requiring the City to collect property taxes and payments in lieu of property taxes on their behalf. The amounts collected and remitted are not recorded in these consolidated financial statements and are summarized below:

	District school boards	The Region
Property taxes	\$ 311,643,140	\$ 342,948,003
Taxation from other governments	441,936	666,544
Amounts requisitioned and remitted	\$ 312,085,076	\$ 343,614,547

### 3. Investments:

Investments consist of government and financial institution bonds and have effective interest rates of 1.83% to 5.03% (2017 - 1.86% to 5.03%) with maturity dates from April 29, 2019 - December 15, 2025 (2017 - September 14, 2018 to December 15, 2025). Market value of investments costing \$87,293,174 (2017 - \$85,851,094) is \$85,663,590 (2017 - \$85,316,459) at December 31, 2018.

## 4. Investment in Hydro Vaughan Corporations:

The City has incorporated corporations under the provisions of the Ontario Business Corporations Act. The corporations are collectively referred to as Hydro Vaughan Corporations.

The City of Vaughan's ownership of the Hydro Vaughan Corporations is as follows:

---

	Interest held	
	2018	2017
Vaughan Holdings Inc. (including 100% ownership of Hydro Vaughan Energy Corporation and 21.49% share interest in Alectra)	100%	100%
1446631 Ontario Inc.	100%	100%

---

On January 31, 2017, PowerStream merged with Enersource and Horizon to form Alectra. Alectra's primary business is to distribute electricity to customers in municipalities in the greater golden horseshoe area as well as provide non-regulated energy services. In consideration for its disposition of 45.315% share of PowerStream common shares, Vaughan Holdings Inc. received a 21.49% ownership interest in Alectra's issued and outstanding common shares.

Alectra also issued Class S shares to the former PowerStream shareholders related to the Ring Fenced Solar Portfolio, a division of Alectra. In accordance with the Solar Services and Indemnity Agreement between the former PowerStream shareholders and Alectra, the solar division is beneficially owned indirectly by the former PowerStream shareholders and as such, allocates the risks and rewards of the Ring Fenced Solar Portfolio's operations to the former PowerStream shareholders through Alectra's Class S shares. Vaughan Holdings Inc. owns 45.315% of the Class S shares of Alectra.

Notes receivable of \$84,133,025 includes an unsecured note receivable from Alectra in the amount of \$78,236,285, repayable within 90 days following demand by the City. The note receivable was renegotiated in 2017 and now bears interest at an annual rate of 4.41% down from 5.58% and the interest for eight quarters commencing October 1, 2006 on the note receivable was previously deferred for five years. The deferred interest was renegotiated in 2013 to defer eight quarterly interest payments for a period of five years at a reduced interest rate of 4.03%. The previously deferred interest amounting to \$8,743,130 was repaid by Alectra on October 31, 2018. The remaining \$5,896,740 portion of the note receivable represents an amount due from Vaughan Holdings Inc. without interest and no specified terms of repayment.

## 4. Investment in Hydro Vaughan Corporations (continued):

The obligations of Hydro Vaughan Corporations for the notes payable to the City are subordinated to secured credit agreements of Alectra.

## 5. Employee future benefits:

The components of the liability for employee future benefits are as follows:

	2018	2017
Post-retirement non-pension benefits <sup>(d)</sup>	\$ 120,859,117	\$ 111,867,453
Vacation entitlements <sup>(c)</sup>	6,648,433	6,362,681
WSIB <sup>(b)</sup>	6,711,206	6,345,700
	<u>\$ 134,218,756</u>	<u>\$ 124,575,834</u>

### (a) Pension:

The City provides a pension plan for its employees through OMERS. OMERS is a multi-employer pension plan which provides pensions for employees of Ontario municipalities, local boards, public utilities and school boards. The plan is a defined benefit pension plan, which specifies the amount of the retirement benefit to be received by employees based on the length of credited service and average earnings. No past service liability exists.

Total OMERS contributions amounted to \$29,091,253 in 2018 (2017 - \$27,577,358), of which \$14,586,957 (2017 - \$13,856,538) represented the City's portion.

### (b) Workplace safety and insurance obligations:

Under the provision of the WSIB, the City is a self-insured Schedule 2 employer.

An actuarial estimate of future liabilities has been completed and forms the basis for the estimated liability of \$6,711,206 (2017 - \$6,345,700) reported in these consolidated financial statements. The City established a WSIB reserve in 2004 to mitigate the future impact of these obligations. An insurance policy was secured for single claims up to \$1,000,000.

## 5. Employee future benefits (continued):

### (c) Vacation entitlements:

Under the provisions of the City's management by-law and various union agreements, vacation pay is earned during the course of employment. The accumulated liability to be paid out in the future is \$6,648,433 (2017 - \$6,362,681).

### (d) Post-retirement non-pension benefits:

The City pays certain health, dental and life insurance benefits on behalf of its retired employees. The City recognizes these post-retirement non-pension benefit costs in the period in which the employee renders the services.

The projected benefit obligation for active employees and retirees at December 31, 2018 of \$120,859,117 (2017 - \$111,867,453) and the expense for the year ended December 31, 2018 of \$10,895,324 (2017 - \$14,149,446) was determined by actuarial valuation using a discount rate of 3.5% (2017 - 3.5%).

Information about the City's defined benefit plan is as follows:

	2018	2017
Accrued benefit obligation:		
Balance, end of prior year	\$ 111,867,453	\$ 99,074,000
Actuarial loss	3,337,484	3,594,214
Prior service adjustment	–	3,575,805
Service cost	6,415,204	6,398,164
Interest cost	4,223,391	3,918,747
Unamortized actuarial loss	(3,080,755)	(3,337,484)
Benefits paid	(1,903,660)	(1,355,993)
Projected accrued benefit obligation, end of year, as determined by actuarial valuation	\$ 120,859,117	\$ 111,867,453

## 5. Employee future benefits (continued):

Components of benefit expense:

	2018	2017
Service cost	\$ 6,415,204	\$ 6,398,164
Prior service adjustment	–	3,575,805
Interest cost	4,223,391	3,918,747
Amortization of actuarial loss	256,729	256,730
<b>Benefit expense</b>	<b>\$ 10,895,324</b>	<b>\$ 14,149,446</b>

The main actuarial assumptions employed with the valuation are as follows:

(i) Interest (discount) rate:

The rate used to discount future benefits in the City's 2017 actuarial study is assumed to be 3.50% (2017 - 3.50%) per annum reflecting Canadian Municipal bond yields and lending rates.

(ii) Salary levels:

Future general salary and wage levels were assumed to increase at a rate management believes fairly reflects inflation.

(iii) Medical costs:

Medical costs were assumed to increase at 6.20% in 2018 decreasing by about 0.25% per year to 4.50% in 2025 and thereafter.

(iv) Dental costs:

Dental costs were assumed to increase at 4.50% in 2018 and thereafter.

(v) Expected average remaining service life of the current active group is assumed to be 13 years.

### 6. Deferred revenue - obligatory reserve funds:

Under PSAB accounting principles, obligatory reserve funds are to be reported as deferred revenue. This requirement is in place as provincial legislation restricts how these funds may be used and, under certain circumstances, these funds may possibly be refunded. The balances in the obligatory reserve funds of the City are summarized below:

	2018	2017
Recreational land (The Planning Act)	\$ 67,884,484	\$ 63,483,795

## 7. Debenture and other debt:

The balance of the municipal debt reported in the consolidated statement of financial position is made up of the following:

	2018	2017
Debenture debt issued by the Region:		
Serial debt	\$ 29,621,590	\$ 36,260,288
Debt payable to Block 11 Landowners' Group for Block 11 Valley Road Crossings and Pressure District 6 East, Rutherford Road Trunk Watermain	148,750	7,086,973
Debt payable to YMCA for construction of City Library and Recreation Space in the Vaughan Metropolitan Centre	29,291,392	13,186,415
	<u>\$ 59,061,732</u>	<u>\$ 56,533,676</u>

Debenture has been approved by by-law. The annual principal and interest payments required to service these liabilities are within the annual debt repayment limit prescribed by the Ministry of Municipal Affairs and Housing.

In 2009, the City entered into an agreement to pay its share of the construction of Block 11 Valley Road Crossings and Pressure District 6 East, Rutherford Road Trunk Watermain. The obligation is without interest and is payable in installments through 2019 as noted below.

In 2017, the City entered into an agreement with the YMCA of Greater Toronto to be a funding partner for the construction of a YMCA, City Library and City Recreation Space in the Vaughan Metropolitan Centre. The YMCA entered into a financing agreement with Ontario Infrastructure and Lands Corporation to obtain a construction loan for the project that converts to a term loan within three years from the date of the first construction loan advance. The City is responsible for payment of all interest and principal in respect of its agreed upon share of the financed project costs and is the guarantor of the YMCA's obligations under the Financing Agreement. The construction loan is a non-revolving floating rate loan with interest-only payments. The term loan will be a non-revolving fixed rate loan with principal and interest payments due over an amortization period of up to 20 years. The City's obligation outstanding at December 31, 2018 includes accrued construction and interest costs to date.

## 15. Contractual rights:

The City is involved with various contracts and agreements arising in the ordinary course of business. This results in contractual rights to economic resources, leading to both assets and revenue in the future.

The City has a number of federal and provincial funding agreements with estimated future funding of \$61.3 million (for the period 2019 to 2023). The City has also entered into a number of third party contracts to provide shared services with estimated future recoveries of \$15.8 million (for the period 2019 to 2020). Future revenues from lease agreements for City-owned properties are approximately \$2.6 million (for the period 2019 to 2066).

## 16. Commitments:

### (a) Lease and operating commitments:

The City has entered into a number of long-term contractual agreements and operating commitments, such as waste collection and snow clearing, obtaining City Council and other approvals as required. Expenses relating to these agreements are recorded in the year in which the payments are made. For these lease and operating commitments, minimum payments have been estimated as follows:

---

2019	\$ 48,393,000
2020	40,468,000
2021	26,259,000
2022	18,890,000
2023	16,639,000
Thereafter	58,493,000
	<hr/>
	\$ 209,142,000

---

### (b) Loan guarantees:

The City has entered into contracted agreements to guarantee loans for the following:

- (i) for the accumulated sum not exceeding \$5.0 million with the Ontario Soccer Association. The loan balance as at December 31, 2018 is \$3.7 million (2017 - \$4.1 million).

## 16. Commitments (continued):

(ii) for the accumulated sum not exceeding \$4.5 million with the Mentena Development Group. The loan balance as at December 31, 2018 is \$3.4 million (2017 - \$3.8 million).

(iii) for the total obligations outstanding under the Financing Agreement between the YMCA of Greater Toronto Area and Ontario Infrastructure and Lands Corporation in connection with the construction of a YMCA, City Library and City Recreation Space in the Vaughan Metropolitan Centre.

### (c) Joint services agreement:

Pursuant to a joint service agreement between PowerStream and the City, which was continued by Alectra and the City, Alectra charges the City, at agreed rates, for various administrative functions. In addition, the City performs certain shared services which are charged to Alectra. The total commitment under the agreement for 2018 is \$1.8 million in charges to the City by Alectra. A new five-year agreement was finalized in 2016 before the merger with Alectra in February 2017 and this agreement continues through 2020.

### (d) Capital commitments:

The City has entered into a number of contractual agreements for capital works obtaining City Council and other approvals as required. The total value of approved and outstanding capital works at December 31, 2018 is approximately \$222.9 million. Expenses relating to capital works are recorded in the year in which expenses are incurred and measurable as a result of receipt of goods or services under/or the creation of a legal obligation.

### (e) Vaughan Hospital Precinct Development Plan:

In 2009, the City approved a grant in the amount of \$80 million, being a contribution toward the local share for land acquisition and development of a hospital in Vaughan. A special property tax levy was approved in 2009 to collect the funds of the grant required to cover the land and development costs. The total contribution is anticipated to be collected by 2022. In August 2010, the City purchased land for the hospital in the amount of \$60 million. The cost of the land is included in the City's tangible capital assets. The remaining \$20 million has been spent on development costs.

## 17. Contingencies:

The City of Vaughan, in the course of its operations, is subject to claims, lawsuits and contingencies. Accruals have been made in specific instances where it is probable that liabilities will be incurred and where such liabilities can be reasonably estimated. Although it is possible that liabilities may arise in other instances for which no accruals have been made, the City does not believe that such an outcome will significantly impair its operations or have a material adverse effect on its consolidated financial position.

## 18. Subsequent event:

On January 1, 2019, Alectra amalgamated with Guelph Hydro Electric Systems Inc. ("GHESI"). Alectra issued 485,000 Class G common shares to Guelph Municipal Holdings Inc. ("GMHI") in consideration for all the issued and outstanding shares of GHESI. This common share issuance by Alectra represents an effective 4.6% interest in its aggregate issued and outstanding classes of common shares. The amalgamation is expected to result in more efficient and enhanced service delivery through lower operating costs, while providing significant benefits for communities and shareholders.

The new shareholder ownership structure as a result of this merger is as follows: Barrie Hydro Holdings - 8.4%, Enersource Corporation - 29.6%, Hamilton Utilities Corporation - 17.3%, Markham Enterprises Corporation - 15.0%, St. Catharines Hydro Inc. - 4.6%, Vaughan Holdings Inc. - 20.5% and GMHI - 4.6%.

The accounting and valuation for the amalgamation is still being finalized. Consequently, disclosures regarding the amount of the purchased assets and liabilities cannot be determined.

Financial Statements of

**THE CORPORATION OF THE  
CITY OF VAUGHAN PUBLIC  
LIBRARY BOARD**

And Independent Auditors' Report thereon

Year ended December 31, 2018

## INDEPENDENT AUDITORS' REPORT

To the Board Members, Members of Council, Inhabitants and Ratepayers of The Corporation of the City of Vaughan

### ***Opinion***

We have audited the financial statements of The Corporation of the City of Vaughan Public Library Board (the Entity), which comprise:

- the statement of financial position as at December 31, 2018
- the statement of operations and accumulated surplus for the year then ended
- the statement of change in net debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2018, and its results of operations, its changes in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

***DRAFT*** Notes to Financial Statements

Year ended December 31, 2018

---

The Corporation of the City of Vaughan Public Library Board (the "Library") is a local board of the Corporation of the City of Vaughan (the "City of Vaughan"). The Library is deemed to be a separate incorporated public library board established under the Public Libraries Act (Ontario) and is responsible for providing public library services that reflect the community's needs.

## **1. Significant accounting policies:**

### (a) Basis of presentation:

The financial statements of the Library are prepared in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant accounting policies are as follows:

### (b) Accrual basis of accounting:

Revenue and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as they become available and measurable; expenses are the costs of goods and services and are recognized when acquired in the year, whether or not payments have been made or invoices received.

### (c) Non-financial assets:

#### (i) Tangible capital assets:

Tangible capital assets are non-financial assets having physical substance that are not generally available to the Library for use in discharging its existing liabilities and are held for use in the provision of services. These assets are significant economic resources that are not intended for sale in the ordinary course of business and have an estimated useful life that extends beyond the current year.

# THE CORPORATION OF THE CITY OF VAUGHAN PUBLIC LIBRARY BOARD

**DRAFT** Notes to Financial Statements (continued)

Year ended December 31, 2018

---

## 1. Significant accounting policies (continued):

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, are amortized on a straight-line basis over their estimated useful lives as follows:

---

Books	7 years
Audiovisual materials	7 years
Furniture and fixtures	10 years
Equipment	5 - 10 years

---

### (ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and recorded as revenue.

### (iii) Works of art and cultural and historic assets:

The Library does not own any notable works of art and historical treasures at their branches. Typically, these assets are deemed worthy of preservation because of the social rather than financial benefits that they provide to the community. The historic costs of art and treasures are not determinable or relevant to their significance hence a valuation is not assigned to these assets nor would they be disclosed of in the financial statements.

### (iv) Leased tangible capital assets:

Leases which transfer substantially all the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

### (v) Land and buildings:

The land and buildings that the Library use are owned by the City of Vaughan and are not recorded as tangible capital assets in the Library's financial statements.

# THE CORPORATION OF THE CITY OF VAUGHAN PUBLIC LIBRARY BOARD

***DRAFT*** Notes to Financial Statements (continued)

Year ended December 31, 2018

---

## 1. Significant accounting policies (continued):

### (d) Government transfers:

Government transfers are recognized in the financial statements as revenue in the year in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amount can be made.

### (e) Deferred revenue:

Contributions for which the related expenses have not been incurred are recorded as deferred revenue and recognized as revenue in the year in which the related expenses are incurred.

### (f) Vacation entitlements:

Vacation entitlements which have been earned but are untaken, form part of the employee future benefits in these financial statements.

### (g) Pension and post-retirement non-pension benefits:

The Library accounts for its participation in the Ontario Municipal Employees' Retirement System ("OMERS"), a multi-employer public sector pension fund as a defined contribution plan.

The Library actuarially determines the cost of the post retirement non-pension benefits using the projected benefit method prorated on service and based on management's best estimated assumptions. Under this method, the projected post retirement non-pension benefit is deemed to be earned on a pro-rata basis over the years of service in the attribution period commencing at date of hire; and ended at the earliest age the employee could retire and qualify for benefits. Compensated absence and termination benefits that do not vest or accumulate are recognized as an expense when the event occurs.

# THE CORPORATION OF THE CITY OF VAUGHAN PUBLIC LIBRARY BOARD

***DRAFT*** Notes to Financial Statements (continued)

Year ended December 31, 2018

---

## 1. Significant accounting policies (continued):

### (h) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the year. Significant estimates include assumptions used in estimating provisions for accrued liabilities, and in performing actuarial valuations of employee future benefits.

In addition, the Library's implementation of the PSAB section 3150, Tangible Capital Assets, requires management to make estimates of historical cost and useful lives of tangible capital assets. Actual results could differ from these estimates.

### (i) Presentation of budget information:

The Library completes an operating budget review each year. The approved budget figures for 2018 are reflected on the statement of operations and accumulated surplus and in note 5. Actual revenue and expenses may differ significantly from annual budgets.

### (j) Adoption of new accounting policies:

Effective January 1, 2018, the Library adopted the following standards issued by PSAB:

- (i) PS 2200 - Related party disclosures;
- (ii) PS 3210 - Assets;
- (iii) PS 3320 - Contingent assets;
- (iv) PS 3380 - Contractual rights; and
- (v) PS 3420 - Inter-entity transactions.

The adoption of these standards has not resulted in any significant impact to the financial statements.

# THE CORPORATION OF THE CITY OF VAUGHAN PUBLIC LIBRARY BOARD

***DRAFT*** Notes to Financial Statements (continued)

Year ended December 31, 2018

---

## **2. Employee future benefits:**

### **(a) Pensions:**

The Library provides a pension plan for its employees through OMERS. OMERS is a multi-employer pension plan, which provides pensions for employees of Ontario municipalities, local boards, public utilities and school boards. The plan is a defined benefit plan, which specifies the amount of the retirement benefit to be received by employees based on the length of credited service and average earnings. No past service liability exists.

Total OMERS contributions amounted to \$1,838,000 in 2018 (2017 - \$1,700,000), of which \$919,000 (2017 - \$850,000) represented the Library's portion.

### **(b) Post-retirement non-pension benefits:**

The Library pays certain health, dental and life insurance benefits on behalf of its retired employees. The Library recognizes these post retirement non-pension benefit costs in the year in which the employee rendered the services.

The projected benefit obligation for active employees and retirees at December 31, 2018 of \$6,416,000 (2017 - \$6,285,000) and the expense for the year ended December 31, 2018 of \$237,000 (2017 - \$375,000) was determined by actuarial valuation using a discount rate of 3.5% (2017 - 3.5%).

IMPROVEMENT AREA**

## INDEPENDENT AUDITORS' REPORT

To the Board Members, Members of Council, Inhabitants and Ratepayers of The Corporation of the City of Vaughan

### ***Opinion***

We have audited the financial statements of the Board of Management for the Kleinburg Business Improvement Area (the Entity), which comprise:

- the statement of financial position as at December 31, 2018
- the statement of operations and accumulated surplus for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2018, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## 1. Nature of operations:

The Board of Management for the Kleinburg Business Improvement Area (the "Board") was established by a City of Vaughan bylaw dated May 28, 1984. The principal purpose of the Board is to provide for beautification, maintenance and promotion of the Kleinburg Business Improvement Area.

The Board may not borrow money, and without the prior approval of Municipal Council, may not incur indebtedness beyond the current year.

## 2. Significant accounting policies:

### (a) Basis of presentation:

The financial statements of the Board are prepared by management in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

### (b) Accrual basis of accounting:

Revenue and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as they become available and measurable; expenses are the costs of goods or services and are recognized when acquired in the year, whether or not payments have been made or invoices received.

### (c) Government transfers:

Government transfers are recognized in the financial statements as revenue in the year in which events giving rise to the transfer occur, provided the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amount can be made.

## 2. Significant accounting policies (continued):

### (d) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

### (e) Budget information:

The audited budget information presented in these financial statements is based on the budget approved by City Council on January 30, 2018.

Statement of Revenue and Expenditures and  
Fund Balance of

**THE CORPORATION OF THE  
CITY OF VAUGHAN**  
MAYOR'S GALA AND GOLF EVENTS

Year ended December 31, 2018

## INDEPENDENT AUDITORS' REPORT

To the Mayor, Members of Council, Inhabitants and Ratepayers of  
The Corporation of the City of Vaughan

### ***Qualified Opinion***

We have audited the statement of revenue and expenditures and fund balance of Mayor's Gala and Golf Events, and notes, comprising significant accounting policies (Hereafter referred to as the "statement") for the year ended December 31, 2018 for The Corporation of the City of Vaughan (the Entity). The statement has been prepared by management in accordance with the basis of accounting in Note 1 to the statement.

In our opinion, except for the possible effects of the matter described in the "***Basis for Qualified Opinion***" section of our report, the accompanying statement for the year ended December 31, 2018 of the Mayor's Gala and Golf Events is prepared, in all material respects, in accordance with the financial reporting framework described in Note 1 to the statement.

### ***Basis for Qualified Opinion***

In common with many charitable organizations, the Mayor's Gala and Golf Events derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of this revenue was limited to the amounts recorded in the records of the Mayor's Gala and Golf Events.

Therefore, we were not able to determine whether any adjustments might be necessary to:

- the revenue and surpluses reported in the statement for the years ended December 31, 2018 and December 31, 2017
- the fund balances, at the beginning and end of the year, reported in the statement for the years ended December 31, 2018 and December 31, 2017

Our opinion on the statement for the year ended December 31, 2017 was qualified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Statement***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statement in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter - Basis of Accounting***

We draw attention to Note 1 in the statement which describes the applicable financial reporting framework.

The statement is prepared for income purposes only. As a result, the statement may not be suitable for another purpose.

Our opinion is not modified in respect of this matter.

***Responsibilities of Management and Those Charged with Governance for the Statement***

Management is responsible for the preparation of the statement in accordance with the financial reporting framework described in Note 1 to the statement; this includes determining that the applicable financial reporting framework is an acceptable basis for the preparation of the statement in the circumstances, and for such internal control as management determines is necessary to enable the preparation of the statement that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

***Auditors' Responsibilities for the Audit of the Statement***

Our objectives are to obtain reasonable assurance about whether the statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### ***DRAFT*** Notes to Statement of Revenue and Expenditures and Fund Balance

Year ended December 31, 2018

**1. Basis of accounting:**

The financial statement is prepared by management in a manner consistent with Canadian generally accepted accounting principles ("GAAP") for governments as recommended by the Public Sector Accounting Board. Management has interpreted GAAP to be the recognition and measurement principles for Public Sector Accounting Standards in the Chartered Professional Accountants of Canada Handbook. Recognition and measurement principles relate specifically to revenue and expenditures, and not the presentation principles or the presentation of all the financial statements and note disclosures required by Public Sector Accounting Standards for a complete set of financial statements.

**2. City administration recovery:**

The Corporation of the City of Vaughan ("City") charges the Mayor's Gala and Golf Events a set amount as recovery of internal labour costs spent on administering the Mayor's Gala and Golf Events.

**3. City distributions to qualified recipients:**

Under a resolution by City Council, recipients for the net proceeds raised from the Mayor's Gala and Golf Events include, but are not limited to, Vaughan-based charities, not-for-profit organizations, community groups and disaster relief assistance. During 2018, no distributions (2017 - \$667,010) were made to these qualified recipients.
