Dear Vaughan Council,

I support the proposed by-law in Vaughan being discussed tomorrow to not allow protests within 100 meters from places of worship and schools. The spring protest in Thornhill in front of the BAYT caused an entire neighborhood disruption including unnecessary early dismissal from schools for safety of the students . This protest was threatening in our own backyards literally . One of my friends had protestors come right to his home in a very aggressive manner .

Everyone has the right to freedom of speech but not in neighborhoods and private property ,which I believe includes the encampments) that causes disruption of life . Thank you for your time and efforts, and I hope other areas of the city will follow suite .
Best ,
