Dear Sir or Madam,

We are writing this letter to advise you that we are very much in favour of the resolution being put forward by Mayor Del Duca in a proposed bylaw for the City of Vaughan aimed at protecting Vaughan's places of worship, schools, childcare facilities, and hospitals from protests that intimidate, or incite hatred, intolerance, and violence.

We are very grateful to see that our leaders are expressing moral clarity and decency in endeavouring to promote the core Canadian values that we all cherish so deeply.

Thank you for your attention to this most serious & important matter.

Yours truly,

Drs. Robert & Esther Libman
