General Comments	
1	The subject lands have been determined to be transitioned and therefore subject to by-law 1-88. A review under 001 – 2021 has been completed out an abundance of caution.
2	The applicant shall be advised that additional variances may be required upon review of detailed drawing for building permit/site plan approval.
3	The subject lands may be subject to Ontario Regulation 166/06 (TRCA - Toronto and Region Conservation Authority).

Conditions of Approval:

If the committee finds merit in the application, the following conditions of approval are recommended.
