Re: ITEM NO: 4 – 2 – COW – PUBLIC MEETING September 10th, 2024 more specifically ITEM 4 -2 (City Wide Zoning By-Law Amendments Comprehensive Zoning By -Law 001-2021 Zoning By-Law 1-88 Protected Major Transit Station Areas File No.: Z.024.011

To whom it may concern – Including all City of Vaughan Council Members, including the Honourable Mayor Del Duca. and members of staff providing consultation to this matter.

I am a resident of the Sherwood Park community and I strongly oppose any Planning amendment including this Zoning Bylaw Amendment expanding the boundaries (PMTSA) to allow for high density development located at 9222 Keele Street.

By allowing high density development, our infrastructure cannot accommodate more vehicles travelling through our small streets. We are currently dealing with traffic congestion and cut through traffic on a daily basis and having more vehicles utilizing our streets will exacerbate the current problem.

Our streets cannot sustain street parking as the roads are narrow.

In allowing for a high density development, our community will no longer be a small, quiet, quaint neighborhood which will be in close proximity to a large building and with that comes more density, pollution, noise and will also affect the aesthetics of our neighbourhood.

We urge City Council to oppose and exclude this location from the Protected Major Transit Station

Areas (PMTSA) so as NOT allow for high density development as it considers approving the city-wide Zoning Bylaw Amendment Z.24.011.

Dear residents,

Councillor Iafrate has asked that I send this email to provide an update.

If you may recall last year, the City of Vaughan Council approved expanding boundaries, Protected Major Transit Station Areas (“PMTSA”), to allow for high density development within your subdivision, particularly at 9222 Keele Street.

The Zoning Amendment Application has now come forward as the last part of the process that officially includes your subdivision in the MTSA boundary. This item is on next week’s Committee of the Whole (Public Meeting) agenda.

If you still oppose the boundary for high density development in your community, please send your letter of opposition to the email below, by 12:00 noon on Monday, September 9, 2024.

All written communications can be emailed to the Office of the City Clerk at [clerks@vaughan.ca](mailto:clerks@vaughan.ca).

**PLEASE INCLUDE ITEM NO: 4 – 2 – COW – PUBLIC MEETING September 10 IN THE SUBJECT LINE.**

If you wish to attend in person to speak on the item, please complete the form. [Request to Speak to an Item on the Agenda \(office.com\)](#)

Councillor lafrate will continue to oppose all initiatives that would allow for highrise/high-density within the Sherwood Park community and surrounding areas.

Kind regards,

Marisa
