Christine Vigneault
Committee of Adjustment

This is to advise you the City Vaughan that I am against this application for the property at 73 View North Court , Woodbridge to permit a secondary suite and shed at the rear lot line. I am only a couple doors away from this property and it will affect my property value, and the neighborhood. I do not want this Application to be passed.
If you have any questions for me please let me know
And I wish to be notified of any decision in respect to this matter.

Thank You,
Joseph Lombardo
