

Transportation and Infrastructure Advisory Committee – Action

Key Themes – CONFIRMED by Transportation and Infrastructure Advisory Committee (TIAC) at March 18, 2024 meeting

1	Data Management and KPI Tracking
2	Improved Transit
3	Encourage Sustainable Transportation
4	Advocacy to the Province

Action Category Definitions:

Reaffirm Support – Reaffirm original action and send back to City staff to continue their implementation

Prioritize for TIAC – Action is to be further explored, update as required and identified as New Action for 2022-2026 TIAC

Close Action – Action has been fulfilled and no longer active.

March 18, 2024

No.	Action	Action Category	Background	TIAC Action/Notes
1.	Incentivize major employment developments within the City so that residents can live and work in Vaughan.	Reaffirm Support <input type="checkbox"/> Prioritize for TIAC <input checked="" type="checkbox"/> Close Action <input type="checkbox"/>	<p>Through the official plan review City staff will propose policies that continue to protect the City’s employment lands from being converted to other uses and that permit greater flexibility with respect to land uses in employment lands to enhance their long-term viability.</p> <p>Vaughan Economic Development is partner in the recently launched Mobility Demonstration Zone which supports small and medium-sized enterprises in advancing automotive and smart</p>	<ul style="list-style-type: none"> • Land use is managed through the City’s Official Plan • Follow up with Land use schedule to AC • Protect wide variety of employment areas to ensure employment and transportation network supports the appropriate land use • Balance employment with residential <p>TIAC ACTION:</p> <ul style="list-style-type: none"> • Prioritize and move forward for further discussion.
