## MINOR VARIANCE APPLICATION FILE NUMBER A141/24

<b>CITY WARD #:</b>	1
<b>APPLICANT:</b>	John & Marlene Revtak
<b>AGENT:</b>	Permitguys.ca
<b>PROPERTY:</b>	275 Factor Street, Kleinburg
<b>ZONING DESIGNATION:</b>	See below.
<b>VAUGHAN OFFICIAL PLAN (2010) DESIGNATION:</b>	Vaughan Official Plan 2010 ("VOP 2010"): 'Low-Rise Residential' by Volume 2, Section 12.7 - Block 61 West – Nashville Heights
<b>RELATED DEVELOPMENT APPLICATIONS:</b>	None
<b>PURPOSE OF APPLICATION:</b>	Relief from the Zoning By-law is being requested to permit a proposed deck, including access stairs in the rear yard.

The following variances have been requested from the City's Zoning By-law:

The subject property is zoned R3, Third Density Residential, subject to the provisions of Exception 14.1075, under By-law 001-2021, as amended.

#	Zoning By-law 001-2021	Variance requested
1	The maximum permitted encroachment for an uncovered platform, with a floor height greater than 1.2 metres as measured above grade and including access stairs, into a minimum required yard is 2.4 metres, (a setback of 3.6 metres is required). [Section 4.13 and Section 7.2.3, Table 7-4]	To permit a maximum encroachment of 3.36 m for an uncovered platform, with a floor height greater than 1.2 metres as measured above grade and including access stairs, into a minimum required rear yard of 6.0 m. (a setback of 2.64 m is proposed).

### HEARING INFORMATION

**DATE OF MEETING:** Thursday, October 3, 2024

**TIME:** 6:00 p.m.

**MEETING LOCATION:** Vaughan City Hall, Woodbridge Room (2<sup>nd</sup> Floor), 2141 Major Mackenzie Drive

**LIVE STREAM LINK:** [Vaughan.ca/LiveCouncil](http://Vaughan.ca/LiveCouncil)

#### PUBLIC PARTICIPATION

If you would like to speak to the Committee of Adjustment at the meeting, either remotely or in person, please complete the [Request to Speak Form](#) and submit to [cofa@vaughan.ca](mailto:cofa@vaughan.ca)

If you would like to submit written comments, please quote file number above and submit by mail or email to:

**Email:** [cofa@vaughan.ca](mailto:cofa@vaughan.ca)

**Mail:** City of Vaughan, Office of the City Clerk, Committee of Adjustment, 2141 Major Mackenzie Drive, Vaughan, ON, L6A 1T1

To speak electronically, pre-registration is required by completing the [Request to Speak Form](#) on-line and submitting it to [cofa@vaughan.ca](mailto:cofa@vaughan.ca) no later than NOON on the last business day before the meeting.

**THE DEADLINE TO REGISTER TO SPEAK ELECTRONICALLY OR SUBMIT WRITTEN COMMENTS ON THE ABOVE NOTED FILE(S) IS NOON ON THE LAST BUSINESS DAY BEFORE THE MEETING.**

### INTRODUCTION

Staff and Agencies act as advisory bodies to the Committee of Adjustment. The comments contained in this report are presented as recommendations to the Committee.

## INTRODUCTION

Section 45(1) of the Planning Act sets the criteria for authorizing minor variances to the City of Vaughan's Zoning By-law. Accordingly, review of the application may consider the following:

- That the general intent and purpose of the by-law will be maintained.
- That the general intent and purpose of the official plan will be maintained.
- That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- That the requested variance(s) is/are minor in nature.

Public written and oral submissions relating to this application are taken into consideration by the Committee of Adjustment as part of its deliberations and final decision on this matter.

## COMMITTEE OF ADJUSTMENT

<b>Date Public Notice Mailed:</b>	September 19, 2024
<b>Date Applicant Confirmed Posting of Sign:</b>	September 16, 2024
<b>Applicant Justification for Variances:</b> <small>*As provided in Application Form</small>	Proposed = 2.64m , Required = 3.60m
<b>Was a Zoning Review Waiver (ZRW) Form submitted by Applicant:</b> <small>*ZRW Form may be used by applicant in instances where a revised submission is made, and zoning staff do not have an opportunity to review and confirm variances prior to the issuance of public notice.</small>	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>

**RECOMMENDED CONDITIONS OF APPROVAL SUMMARY**

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application, as required by Ontario Regulation 200/96, the following conditions have been recommended:

#	DEPARTMENT / AGENCY	CONDITION
	None	

*All conditions of approval, unless otherwise stated, are considered to be incorporated into the approval "if required". If a condition is no longer required after an approval is final and binding, the condition may be waived by the respective department or agency requesting conditional approval. A condition cannot be waived without written consent from the respective department or agency.*

## IMPORTANT INFORMATION

**CONDITIONS:** It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency (**see condition chart above for contact**). This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

**APPROVALS:** Making any changes to your proposal after a decision has been made may impact the validity of the Committee's decision.

An approval obtained from the Committee of Adjustment, where applicable, is tied to the building envelope shown on the plans and drawings submitted with the application and subject to the variance approval.

A building envelope is defined by the setbacks of the buildings and/or structures shown on the plans and drawings submitted with the application, as required by Ontario Regulation 200/96. Future development outside of an approved building envelope, where a minor variance was obtained, must comply with the provisions of the City's Zoning By-law.

Elevation drawings are provided to reflect the style of roof (i.e. flat, mansard, gable etc.) to which a building height variance has been applied. Where a height variance is approved, building height is applied to the style of roof (as defined in the City's Zoning By-law) shown on the elevation plans submitted with the application.

Architectural design features that are not regulated by the City's Zoning By-law are not to be considered part of an approval unless specified in the Committee's decision.

**DEVELOPMENT CHARGES:** That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

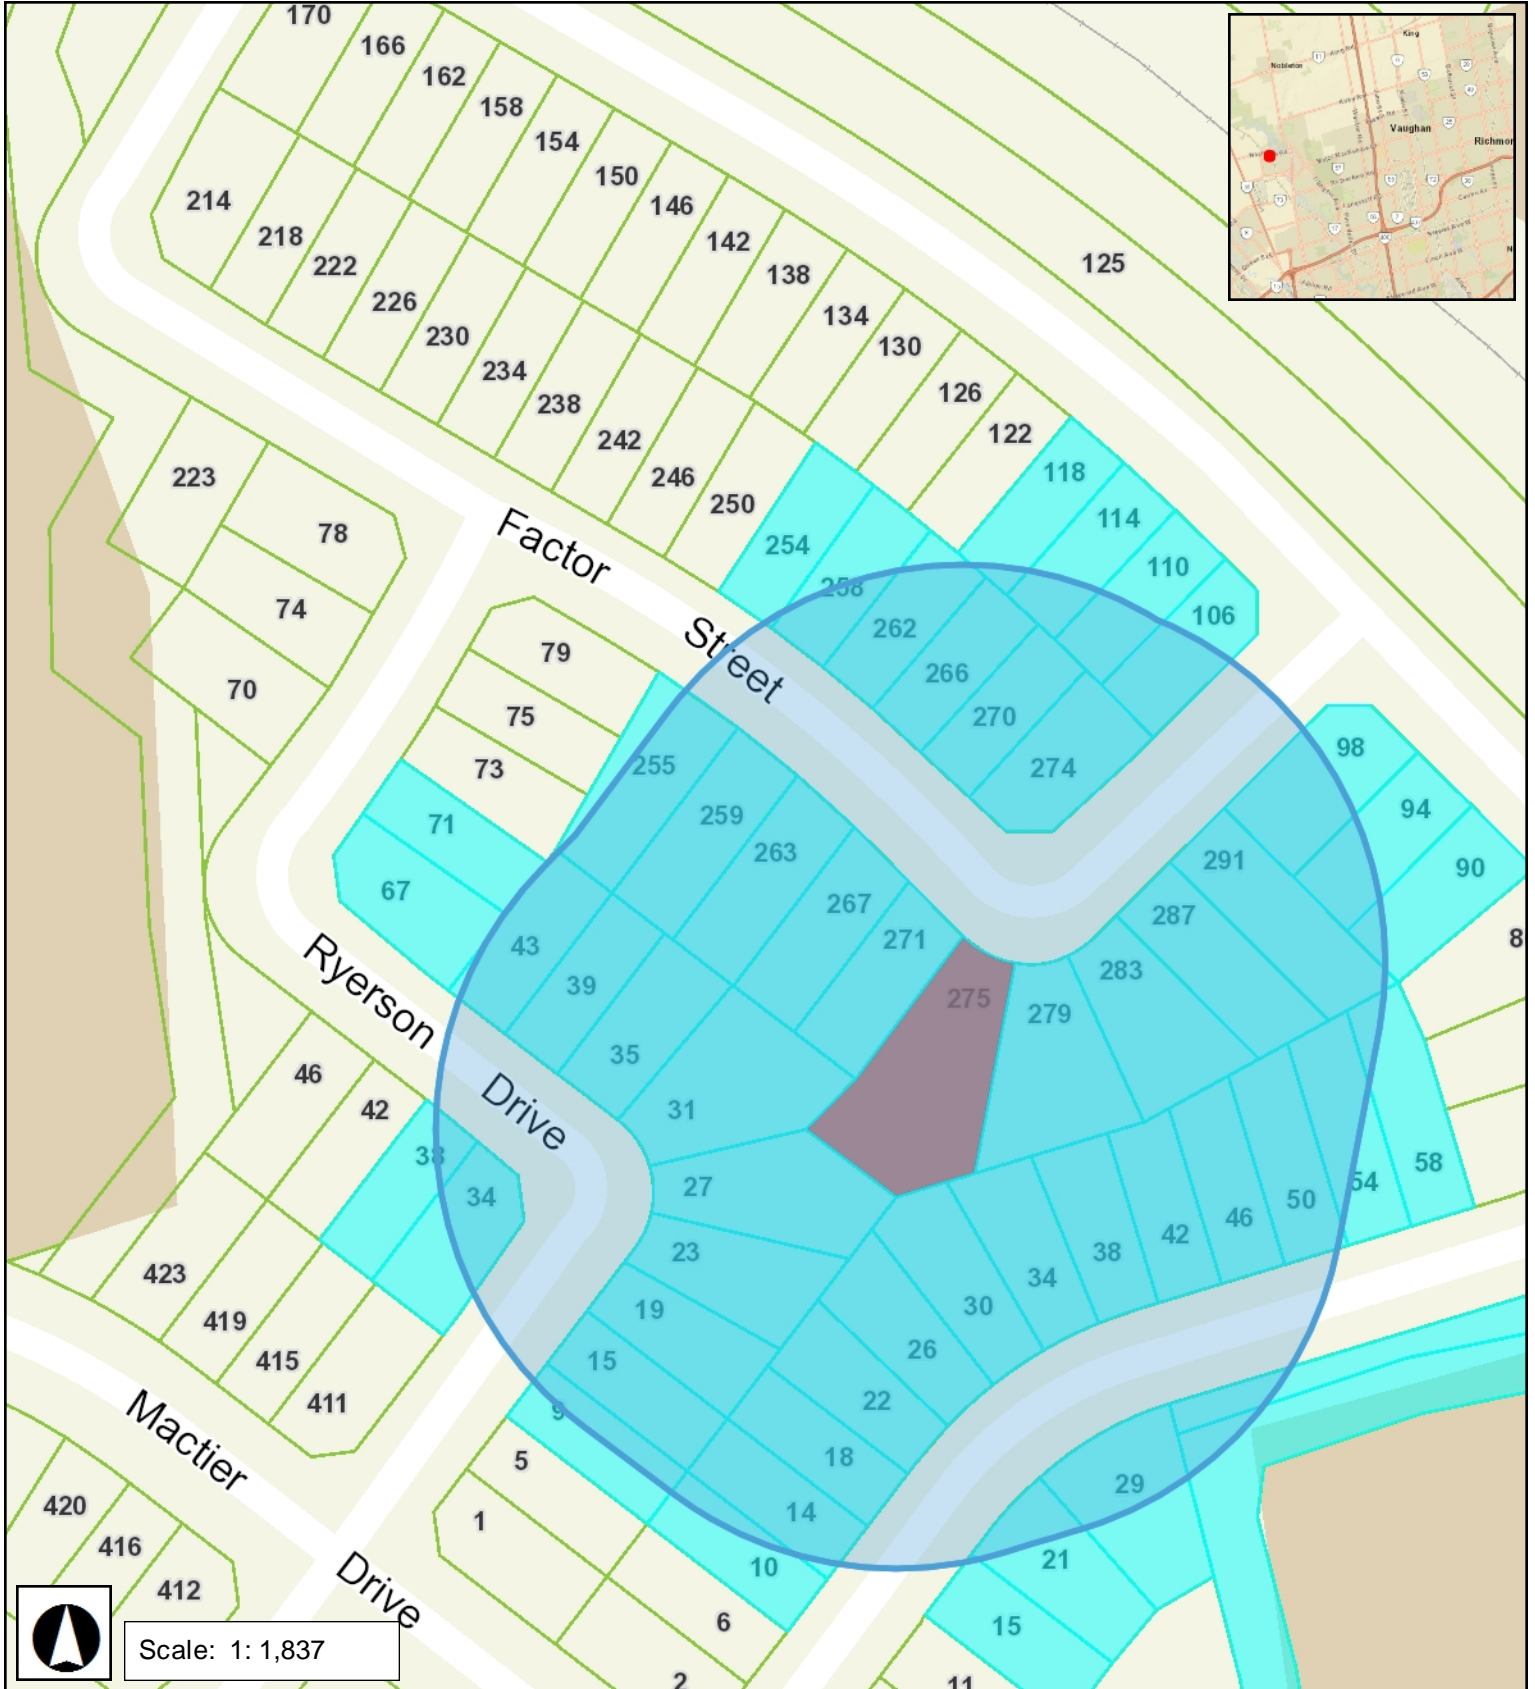

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.

**NOTICE OF DECISION:** If you wish to be notified of the decision in respect to this application or a related Ontario Land Tribunal (OLT) hearing you must complete a Request for Decision form and submit to the Secretary Treasurer (ask staff for details). In the absence of a written request to be notified of the Committee's decision you will **not** receive notice.

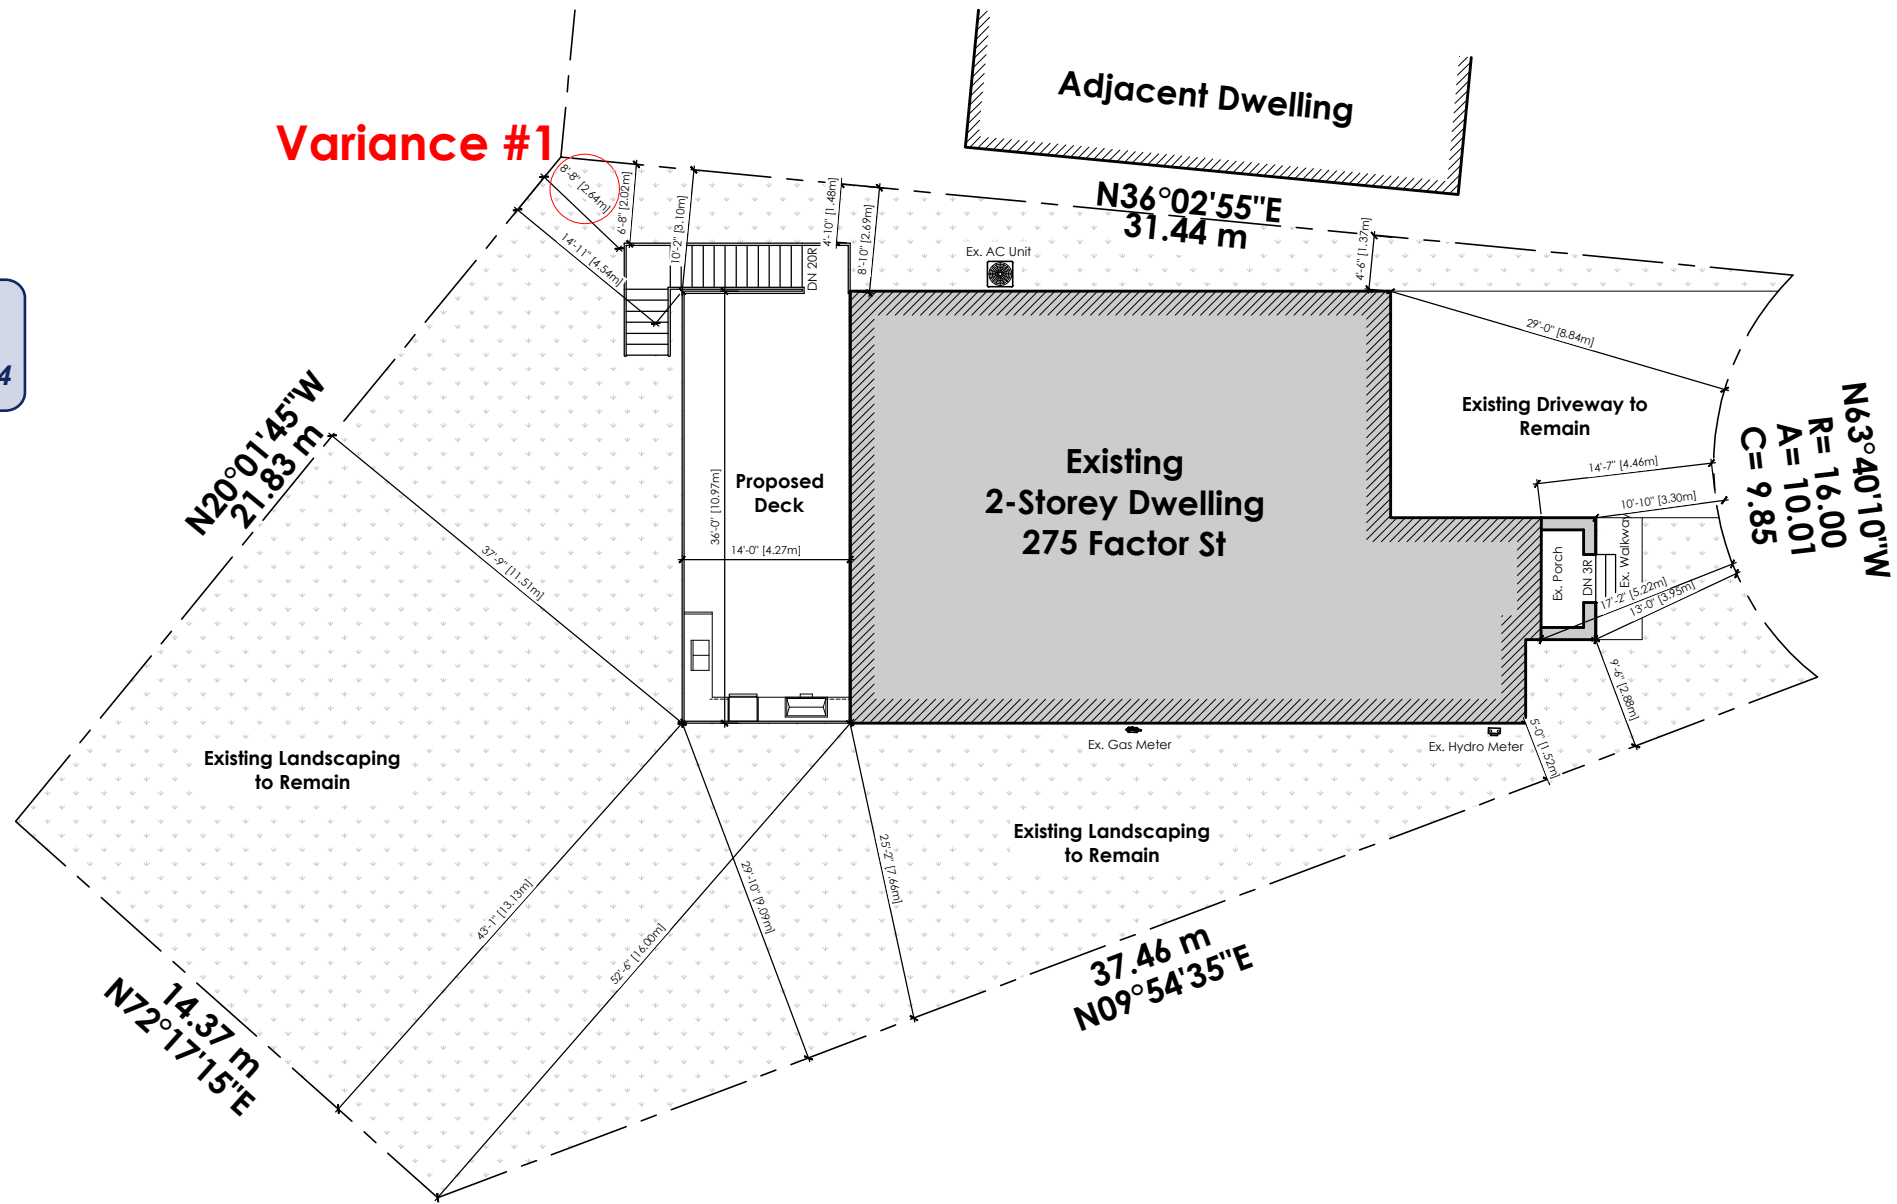

**SCHEDULE A: DRAWINGS & PLANS**

**RECEIVED**

By Christine Vigneault at 12:36 pm, Sep 06, 2024

**Site Plan**

**General notes**

- All dimensions to be checked and verified on site prior to commencement of work. Any discrepancies shall be brought to the attention of permitguys prior to continuation of work.
- The contractor shall take all precautionary measures under the occupational health and safety act as required by the ministry of labour.
- All work shall be done in accordance with the minimum standards and specifications of the municipality's engineering department.
- All work in the municipal road allowance shall meet the minimum standards and specifications of the municipality's engineering department. The contractor is required to obtain & pay for permit to work in municipal R.O.W.
- Prior to the commencing any work on the installation of services & grading, an approved set of plans and specifications must be available on the job site and shall remain there while work is being done.
- The owners of the utilities must be informed at least two weeks prior to construction on any existing municipal road allowance. All existing underground utilities within the limits of construction shall be located and marked. Any utilities, damaged or disturbed during construction, shall be repaired or replaced to the satisfaction of the governing body at the contractors expense.
- Prior to commencing any construction, all sewer outlet information, benchmarks, elevations, dimensions and grades must be checked by the contractor and verified and any discrepancies reported to the engineer.
- The contractor is responsible for ensuring that there is no interruption of any surface or subsurface drainage flow that would adversely affect neighboring properties

### COMMENTS:

- We have reviewed the proposed Variance Application and have no comments or objections to its approval.
- We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.

**To:** Christine Vigneault, Committee of Adjustment Secretary Treasurer  
**From:** Nancy Tuckett, Director of Development Planning  
**Date:** September 20, 2024  
**Name of Owners:** John Revtak & Marlene Luis Revtak  
**Location:** 275 Factor Street  
**File No.(s):** A141/24

---

**Proposed Variances (By-law 001-2021):**

1. To permit a maximum encroachment of **3.36 m** for an uncovered platform, with a floor height greater than 1.2 m as measured above grade and including access stairs, into a minimum required rear yard of 6.0 m. (a setback of **2.64 m** is proposed).

**By-Law Requirements (By-law 001-2021):**

1. The maximum permitted encroachment for an uncovered platform, with a floor height greater than 1.2 m as measured above grade and including access stairs, into a minimum required yard is **2.4 m**, (a setback of **3.6 m** is required).

**Official Plan:**

Vaughan Official Plan 2010 ("VOP 2010"): 'Low-Rise Residential' by Volume 2, Section 12.7 – Block 61 West – Nashville Heights

**Comments:**

The Owners are seeking relief to permit deck stairs along with a landing in the rear yard with the above-noted variance.

The Development Planning Department has no objections to Variance 1 for the proposed deck stairs and landing to encroach 3.36 m into the rear yard, resulting in a reduced minimum rear yard setback of 2.64 m. The uncovered deck proposes an area of 55.18 m<sup>2</sup>, and height of 3.53 m above the existing grade. The deck itself is set back 4.54 m from the rear lot line. The rear-lot encroachment of 3.36 m (2.64 m setback) is only required for the northwestern portion of the L-shaped staircase, which provides access between the rear yard and deck. The northwestern tip of the staircase (landing) is approximately 1.02 m in height from the existing grade, and is proposed to be guarded by 1.07 m tall railing. It is important to note that the irregular shape of the lot results in a somewhat triangularly shaped rear yard. The relief is only fully utilized at the northwestern corner of the staircase, which is a pinch-point. Portions of the staircase outside of this area exceed compliance.

As such, the staircase is anticipated to have very limited adverse use (privacy) and massing impacts on the neighbouring properties to the northwest (271 Factor Street), the southwest (27 & 31 Ryerson Drive), and the south (30 Factor Street). The proposed 3.36 m encroachment will have minimal impact on the function of the irregularly shaped rear yard. The proposed 2.64 m setback still provides adequate space for access and maintenance and a suitably sized rear yard for recreational amenity and landscaping purposes.

Accordingly, the Development Planning Department supports the requested variances and is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

**Recommendation:**

The Development Planning Department recommends approval of the application.

**Conditions of Approval:**

If the Committee finds merit in the application, the following conditions of approval are recommended:

None

Good morning,

Based on a review of our screening mapping, I can confirm that the subject property is not located within TRCA's Regulated Area. As such, any site alteration or development on the property would not require a permit from TRCA.

Based on the above, we have no comments/requirements.

Regards,

**Cameron McDonald**

Hi Christine,

The Regional Municipality of York has completed its review of the minor variance application – A141/24 (275 Factor Street) and has no comment.

Please provide us with a digital copy of the notice of decision for our records.

Many thanks,

*Our working hours may be different. Please do not feel obligated to reply outside of your scheduled working hours. Let's work together to help foster healthy work-life boundaries.*
