FILE NO.: 25.7

FROM:

ACTION: FOR INFORMATION

Purpose

To receive comments from the public and the Committee of the Whole on the proposed repeal of By-law 102-2023 adopting Official Plan Amendment Number 93 (“OPA 93”) and the proposed repeal of By-law 104-2023 amending the Pre-Application Consultation (“PAC”) process.

Report Highlights

- On June 20, 2023, OPA 93 and By-law 104-2023 were adopted by Council to respond to amendments made to the *Planning Act* implemented through Bill 109 (*More Homes for Everyone Act, 2022*) (“Bill 109”).
- OPA 93 amended Policy 10.1.3 of Vaughan Official Plan, 2010 (“VOP 2010”) regarding the City’s PAC requirements.
- By-law 104-2023 amended the PAC process to conform with OPA 93.
- OPA 93 has been appealed to the Ontario Land Tribunal (“OLT”) and the majority of OPA 93 is not in force.
- On June 6, 2024, Bill 185 (*Cutting Red Tape to Build More Homes Act, 2024*) (“Bill 185”) received royal assent which included amendments to the *Planning Act* that now supersede changes implemented through OPA 93 and By-law 104-2023.

Report Highlights continued

- Given the changes under Bill 185, staff determined that OPA 93 and By-law 104-2023 are no longer necessary and are proposed to be repealed.
- The PAC process will be updated through the Official Plan Review Process (“OPR”) to conform with the requirements of the *Planning Act*.

Recommendations

1. THAT the Public Meeting report for the repeal of By-law 102-2023 adopting Official Plan Amendment Number 93 and the repeal of By-law 104-2023 amending the Pre-Application Consultation process (File 25.7) BE RECEIVED, and that any issues identified be addressed by the Policy Planning and Special Programs Department and the Development Planning Department in a comprehensive report to the Committee of the Whole.

Background

On June 20, 2023, Council adopted OPA 93 and By-law 104-2023.

OPA 93 amended Policy 10.1.3 of VOP 2010 regarding the City’s PAC requirements. It responded to amendments made to the *Planning Act* implemented through Bill 109, which introduced time limits for municipalities to review certain planning applications, after which a series of refunds to an applicant were required at increments of 50%, 75%, and 100%, depending on the delay from the prescribed timelines to review the applications (the “Refund Regime”). Those changes came into force on July 1, 2023.

OPA 93 and By-law 104-2023 were intended to revise the PAC process to enable the City to meet the *Planning Act* deadlines.

OPA 93 has been appealed to the OLT by a number of appellants. The majority of OPA 93 is not in force.

On June 6, 2024, Bill 185 received Royal Assent which includes amendments to the Planning Act with respect to the PAC process and the Refund Regime.

Bill 185 contains amendments to the *Planning Act* including removing the Refund Regime, subject to transition, as well as removing the authority to require, by by-law, a mandatory PAC process prior to the submission of a planning application. Therefore, the PAC process is now voluntary and at the discretion of an applicant.

Given the changes to the *Planning Act* implemented through Bill 185, staff determined that OPA 93 and By-law 104-2023 are not necessary and are proposed to be repealed.

Public Notice was provided in accordance with the Planning Act and Council's Notification Protocol.

- c) No comments have been received as of August 26, 2024 by the Policy Planning and Special Programs Department.

Analysis and Options

OPA 93 and the PAC by-law conflict with changes implemented through Bill 185

OPA 93 and By-law 104-2023 require applicants to participate in a mandatory PAC process prior to the submission of a planning application. However, given the PAC process is now voluntary as a result of amendments introduced to the *Planning Act*, through Bill 185, OPA 93 and By-law 104-2023 are contrary to the requirements of the *Planning Act*. As a result, staff determined that OPA 93 and By-law 104-2023 are no longer necessary and are proposed to be repealed.

Further changes required to update the PAC process to conform with the requirements of the *Planning Act* will be undertaken through the OPR process.

Although the Refund Regime has been removed through the Bill 185 amendments to the *Planning Act*, the timelines for processing an application and for an applicant to appeal an application remain. Staff will continue through best efforts to meet the timeframes prescribed by the *Planning Act*.

The repeal of OPA 93 will lead to the resolution of the outstanding appeals.

Financial Impact

There are no financial requirements for new funding associated with this Report.

Operational Impact

Policy Planning and Special Programs and Development Planning staff consulted Legal Services to understand the amendments to the *Planning Act* implemented through Bill 185 and the process to repeal OPA 93 and By-law 104-2023.

Broader Regional Impacts/Considerations

On November 22, 2022, York Region exempted OPA 93 from approval by the Regional Committee of the Whole and Council.

On July 1, 2024, York Region became a Region without planning responsibilities in accordance with Bill 185. As such, there are no broader regional impacts or considerations associated with this Report.

Conclusion

Given the amendments to the *Planning Act* implemented through Bill 185 with respect to the PAC process and the Refund Regime, staff determined that OPA 93 and By-law 104-2023 are no longer necessary and are proposed to be repealed. Further changes required to update the PAC process to conform with the requirements of the *Planning Act* will be undertaken through the OPR process.
