Broader Regional Impacts/Considerations

Regional Municipality of York

York Region Council adopted the YROP 2022 in June 2022. YROP 2022 was approved, as modified, by the Minister of Municipal Affairs and Housing in November 2022, bringing it into full force and effect. Bill 150 (*Planning Statue Law Amendment Act, 2023*) and Bill 162 (*Get It Done Act, 2024*) later rescinded some of those modifications.

On June 6, 2024, Bill 185 (*Cutting Red Tape to Build More Homes Act, 2024*) ("Bill 185") received Royal Assent which includes amendments to the *Planning Act*. In accordance with the amendments to the *Planning Act* implemented through Bill 185, York region became a Region without planning responsibilities effective July 1, 2024.

Pursuant to subsection 70.13(2) of the *Planning Act*, YROP 2022 is deemed to constitute an official plan of the City in respect of any area in the City to which it applies and will remain in effect until the City revokes or amends it.

The Applications are being circulated to the York Region for the purpose of receiving comments on matter of Regional interest i.e., roads and servicing infrastructure. Further comments will be discussed in the future comprehensive report.

Conclusion

The preliminary issues identified in this report and any other issues identified through the processing of the Applications will be considered in the technical review of the Applications. Comments from the public and Vaughan Council expressed at the Public Meeting or in writing will be addressed in a comprehensive report to a future Committee of the Whole meeting.
