

## Condo Proposal - Hawman Ave.

Hawman Ave is a dead end residential street. Properties are well kept. Many owners have upgraded their houses. No place for a condo.

Traffic is a big concern. All vehicles exiting from the units must come out to Hawman Ave. & turn right onto Kipling to get to Hwy #7. Also when the town house units on Coler Ave are occupied, the same problem. They must turn left from Coler Ave. to proceed to Hwy #7.

This will be a "nightmare" every morning at rush hour with so many people trying to get to their destinations or work. And all having to exit onto #7 Hwy from Kipling Ave.
