SUMMARY TO BY-LAW 183-2024

The lands subject to this By-law are located in Part of Lot 16, Concession 2, and on Block 125, Plan 65M-3917. The entire subject lands as shown on Schedule '1' are municipally known as 910 Rutherford Road, City of Vaughan, Regional Municipality of York.

The purpose of this By-law is to amend City of Vaughan Zoning By-law 001-2021 to rezone the small triangular portion of the subject lands zoned "EP Environmental Protection Zone" to "I1-General Industrial Zone", thereby bringing the entire subject lands into the I1-General Institutional Zone. Site-specific exceptions are required to facilitate the development of a building addition to accommodate the expansion of existing Place of Worship use, add a Day Care Centre, Community Facility and Associated Offices uses within the addition, and to provide an expanded parking area to provide parking spaces for these uses.

This By-law adds a new site-specific Zone Exception Paragraph 14.1173 to By-law 001-2021 and a corresponding new Figure E-1746 (Schedule "1") specific to development proposed by Site Development Application File DA.21.060 for the subject lands. The Exception Paragraph includes specific zone provisions for the rear and interior side yard, maximum building height, permits waste storage enclosure structure, minimum landscape strip requirements, loading space requirements, parking area requirements and requires 47 parking spaces, to be provided for the building for the uses and their respective GFA's listed above.

The west portion of the subject lands was previously included within a site-specific zone exception as part of the Woodvalley Subdivision, being exception Zone Exception Number 14.861 to By-law 001-2021. The west portion of the subject lands (being Block 125 on Plan 65M-3917) was purchased from the adjacent developer to facilitate the expansion of the Place of Worship, as proposed by this Zoning Amendment Application Z.21.049 and the related Site Development Application File DA.21.060. This By-law removes the west portion of the subject lands from Zone Exception 14.861 (Schedule "2") and removes the subject lands from the 14.861.5 Figures for the Woodvalley Subdivision, by deleting the respective E-schedule (Figure E-1343) and replacing it with a new Figure E-1343 to exclude the subject lands (Schedule "3").
