It has come to the attention of the Kleinburg & Area Ratepayers' Association that a letter dated May 20th 2019 has been sent by Natural Resource Solutions Inc. regarding 11063 and 11191 Hwy 27, the proposed Copper Creek developments. As we have just been made aware of this we have not had time to comment however we would like to go on record as requesting that we be provided with the answers bring given to the questions posed and the points raised within. We would appreciate having a response prior to the Council meeting of June 12, 2019.

Sincerely

Kathryn Angus

President, Kleinburg & Area Ratepayers' Association
