

CITY OF VAUGHAN

EXTRACT FROM COUNCIL MEETING MINUTES OF JUNE 12, 2019

Item 46, Report No. 20, of the Committee of the Whole, which was adopted, as amended, by the Council of the City of Vaughan on June 12, 2019, as follows:

By approving the recommendation contained in the resolution of Councillor Carella, dated June 4, 2019.

46. PETITION TO UNDERTAKE TRAFFIC CALMING ON DAVID TODD AVENUE

The Committee of the Whole recommends that consideration of this matter be deferred to the Council meeting of June 12, 2019:

Whereas, a petition (see attached) has been submitted to install traffic calming infrastructure on David Todd Avenue, which petition appears to meet the required threshold of community interest in the development of traffic calming infrastructure;

It is therefore recommended:

1. That subject to confirmation of the validity of the petition, the process by which traffic calming is undertaken on a given street be initiated with respect to David Todd Avenue; and
2. That a community meeting be convened and attended by appropriate staff as part of the process.
