**8. ANNUAL SUPPORT OF VAUGHAN SANTAFEST**

**The Committee of the Whole recommends approval of the recommendations contained in the resolution of Mayor Steven Del Duca, dated November 5, 2024.**

# REPORT NO. 37 OF THE COMMITTEE OF THE WHOLE FOR CONSIDERATION BY COUNCIL, NOVEMBER 19, 2024

---

## **Member's Resolution**

Submitted by Mayor Del Duca

**Whereas**, for decades, SantaFest has been a much anticipated, celebrated and memorable event in the Vaughan community, organized by dedicated volunteers who have tirelessly given back to local residents; and

**Whereas**, SantaFest has brought families and neighbours together in Vaughan and visitors from across the Greater Toronto Area to enjoy fun-filled experiences like the parade with memorable floats and the block party with live entertainment and activities for the young and young at heart; and

**Whereas**, previously, Vaughan Council voted in favour of deputation requests by representatives of SantaFest for services-in-kind support and promotional support; and

**Whereas**, this volunteer-led annual event has faced several organizational challenges, notably the global COVID-19 pandemic, resulting in the last SantaFest being held in 2019; and

**Whereas**, given that SantaFest is a staple of the Vaughan community and complements many other City-led initiatives, including Winterfest and events supported by the Tourism Vaughan Corporation, greater City leadership to organize, plan and deliver on future annual SantaFest events is consistent with Council's track record of supporting and encouraging opportunities that enrich, strengthen and bring together Vaughan's thriving and diverse community.

### **It is therefore recommended:**

1. THAT a City staff organizing committee, led by the Events division in Recreation Services, with representation from staff across the corporation and external stakeholders as required, be formed to oversee the planning, organization and execution of future SantaFests; and
2. THAT the City arrange the appropriate road closure permits, in collaboration with York Region, for the parade route to take place starting at Major Mackenzie Drive from Highway 400 and concluding at Vaughan City Hall, or an alternative route in Vaughan if necessary; and
3. THAT the City's Economic Development department supports SantaFest and promotes it as part of the Tourism Vaughan Corporation's placemaking and tourism strategic initiatives, including those outlined in the Council-approved Vaughan Destination Master Plan; and

# REPORT NO. 37 OF THE COMMITTEE OF THE WHOLE FOR CONSIDERATION BY COUNCIL, NOVEMBER 19, 2024

---

4. THAT the Communications, Marketing and Engagement department leverages corporate communications channels to promote SantaFest to the public; and
5. THAT the abovementioned support is provided on an annual basis beginning in 2025.

## 9. HONOURING VAUGHAN'S FIREFIGHTER HEROES

The Committee of the Whole recommends:

- 1) That the recommendations contained in the resolution of Mayor Del Duca dated November 5, 2024, be approved; and
- 2) That the comments from Andrew Anthony, President, Vaughan Professional Fire Fighters Association, be received.

### Member's Resolution

Submitted by Mayor Del Duca.

**Whereas**, Vaughan Fire and Rescue Services (VFRS) and the members of the Vaughan Professional Fire Fighters Association (VPFFA) have a long-standing history of dedicated service to the residents of Vaughan, consistently providing exemplary protection, prevention, and emergency response services to safeguard the lives, properties, and well-being of all residents; and

**Whereas**, the brave women and men of VFRS and VPFFA have demonstrated remarkable professionalism, selflessness, and courage, putting their lives on the line daily in service to their community; and

**Whereas**, our firefighters have not only responded to emergencies within our city but have also provided mutual aid to neighboring municipalities, showcasing their commitment to public safety; and

**Whereas**, the role of Vaughan's firefighters extends beyond the extinguishing of fires, encompassing medical response, rescue operations, fire prevention education, and community outreach, contributing immeasurably to the overall safety and resilience of Vaughan; and

**Whereas**, there is an existing firefighter memorial on Woodbridge Avenue, however the site is not a modern and more visible site commensurate with the respect Vaughan's firefighter heroes deserve; and

**Whereas**, the sacrifices of Vaughan's firefighters, including long hours, hazardous conditions, and time spent away from family, are deeply appreciated by the City of Vaughan and its residents, who recognize the essential services they provide; and

# REPORT NO. 37 OF THE COMMITTEE OF THE WHOLE FOR CONSIDERATION BY COUNCIL, NOVEMBER 19, 2024

---

**Whereas**, it is fitting that Vaughan's firefighters be permanently honoured and remembered for their unwavering dedication, including those who have made the ultimate sacrifice in the line of duty, through a modern and appropriate memorial site.

**It is therefore recommended:**

1. That within thirty (30) days, Council establishes the Vaughan Firefighters Memorial Committee, tasked with identifying and recommending to Council an appropriate location for a new permanent memorial to honour the legacy and sacrifices of Vaughan's firefighters; and
2. That the membership of the Vaughan Firefighters Memorial Committee shall include three representatives from Vaughan Fire and Rescue Services, three representatives from the Vaughan Professional Firefighters Association, and any other representatives deemed appropriate by the City Manager, ensuring a balanced and inclusive approach to this significant civic initiative.

## 10. **NAMING MATTEO CAPUTI PARK**

**The Committee of the Whole recommends approval of the recommendations contained in the resolution of Mayor Del Duca dated November 5, 2024.**

### **Member's Resolution**

Submitted by Mayor Del Duca.

**Whereas**, Matteo Caputi, a six-year-old boy, tragically lost his life after being struck by a school bus in Kleinburg on the morning of June 19, 2024; and

**Whereas**, Matteo was a Grade 1 student at St. Stephen Catholic Elementary School, known for his joyful spirit and the happiness he brought to those fortunate to know him; and

**Whereas**, Matteo frequently played at the park near his home, bringing joy to his family, friends, and the community; and

**Whereas**, the incident sent shockwaves throughout the close-knit neighbourhood of Kleinburg, which mourns his loss alongside Matteo's family, demonstrating an outpouring of love and support through community memorials; and

**Whereas**, renaming a park in Matteo's honour would provide a meaningful tribute, reflecting the joy he brought to the lives of those around him and ensuring that his spirit continues to inspire future generations; and

# REPORT NO. 37 OF THE COMMITTEE OF THE WHOLE FOR CONSIDERATION BY COUNCIL, NOVEMBER 19, 2024

---

**Whereas**, the naming recommendation outlined in this Member's Resolution is consistent with City of Vaughan's Naming City Parks, Open Spaces, Community Facilities and Other Municipal Buildings and Properties (TPF-006) corporate policy; and

**Whereas**, in accordance with section 3.6 of the abovementioned policy, by resolution Council may approve a name or name change, in honour of individuals or groups when circumstances justify such action; and

**Whereas**, the renaming of the park would offer a place of remembrance, reflection, and healing for Matteo's family, friends, and the wider Vaughan community.

**It is therefore recommended:**

1. That, in accordance with the City of Vaughan's Naming City Parks, Open Spaces, Community Facilities and Other Municipal Buildings and Properties (TPF-006) corporate policy, Council approves the renaming of Summit Park as Matteo Caputi Park;
2. That a plaque be installed at a suitable location at that park paying tribute to Matteo Caputi;
3. That City staff be directed to organize a City-led event to mark the above-mentioned renaming and plaque unveiling; and
4. That the City incur expenditures to complete the above-mentioned recommendations.
