Staff Report Prepared By: Lenore Providence, Assistant Secretary Treasurer

Date of Hearing:	Thursday , July 25, 2019
Applicant:	Teresa Paglia
Agent:	None.
Property:	126 Tuscana Boulevard, Concord
Zoning:	The subject lands are zoned RV3 and subject to the provisions of Exception 9(1039) under By-law 1-88 as amended
OP Designation:	VOP 2010: “Low-Rise Residential”
Related Files:	None.
Purpose:	Relief from the By-law is being requested to permit the existing cabana located in the rear yard.

The following variances are being requested from By-Law 1-88, as amended, to accommodate the above proposal:

By-law Requirement	Proposal
1. A maximum building height of 2.5m for the existing Cabana is permitted.	1. To permit a maximum building height of 2.92m for the existing Cabana.

Background (previous applications approved by the Committee on the subject land): None.

Adjournment History: None

Staff & Agency Comments

Please note that staff/agency comments received after the preparation of this Report will be provided as an addendum item to the Committee. Addendum items will shall only be received by the Secretary Treasurer until 4:00 p.m. on the last business day prior to the day of the scheduled Meeting.

Committee of Adjustment:
Public notice was mailed on July 10, 2019

Applicant confirmed posting of signage on July 5, 2019

Property Information	
Existing Structures	Year Constructed
Dwelling	2000
Cabana	2018
Pool	2018

Applicant has advised that they cannot comply with By-law for the following reason(s): Was unaware of by-law restriction. Understanding was that if it was under 10ft, it was permissible.

Adjournment Request: N/A

Building Standards (Zoning Review):
Stop Work Order(s) and Order(s) to Comply: N/A

A Building Permit has not been issued. The Ontario Building Code requires a building permit for structures that exceed 10m2

The applicant shall be advised that additional variances may be required upon review of detailed drawing for building permit/site plan approval.

The proposed floor area of the Cabana is 5.95sq.m
The proposed height of the water feature is 0.54m.
The proposed setback to the Pool Equipment is 0.6m.

Building Inspections (Septic):
No comments or concerns

Development Planning:
VOP 2010: "Low-Rise Residential"

The Development Planning Department has reviewed the proposal and is of the opinion that it is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

The Development Planning Department recommends approval of the application.

Schedule A – Plans & Sketches

Schedule B – Public Correspondence
None.

Schedule C - Agency Comments
Alectra (Formerly PowerStream) – No concerns or objections
Region of York – No concerns or objections

Schedule D - Previous Approvals (Notice of Decision)
None.

Staff Recommendations:
Staff and outside agencies (i.e. TRCA) act as advisory bodies to the Committee of Adjustment. Comments received are provided in the form of recommendations to assist the Committee.

The Planning Act sets the criteria for authorizing minor variances to the City of Vaughan’s Zoning By-law. Accordingly, review of the application considers the following:

- ✓ That the general intent and purpose of the by-law will be maintained.
- ✓ That the general intent and purpose of the official plan will be maintained.
- ✓ That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- ✓ That the requested variance(s) is/are minor in nature.

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application as required by Ontario Regulation 200/96.

Please Note:

Relief granted from the City's Zoning By-law is determined to be the building envelope considered and approved by the Committee of Adjustment.

Development outside of the approved building envelope (subject to this application) must comply with the provisions of the City's Zoning By-law or additional variances may be required.

Elevation drawings are provided to reflect the style of roof to which building height has been applied (i.e. flat, mansard, gable etc.) as per By-law 1-88 and the Committee of Adjustment approval. Please note, that architectural design features (i.e. window placement), that do not impact the style of roof approved by the Committee, are not regulated by this decision.

Conditions

It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency. This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

Notice to the Applicant – Development Charges

That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department;

☐

We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.
