Hi Folks: Just a short message to state that **I support Marilyn lafrate's motion** as noted below.

I live in Northern Ontario, but am a heavy user of the highways in your area for medical and family purposes- especially the 407. I firmly believe that we cannot take up more land with another super highway. (The proposed Highway 413 and it's accompanying urban sprawl) Let's try the 407 solution first with the 1 year pilot study.

Thanks

I will be bringing forward resolution at next week's Committee of the Whole (1) Meeting on **Tuesday December 3, 2024 at 1:00 p.m.** whereby I am supporting the Premier's Feasibility Study to buy back Highway 407 **and asking that the province implement a one year pilot program that will subsidize or eliminate tolls dedicated truck lanes on Highway 407 and evaluate the impact on traffic congestion** and efficiency.
