The purpose of this By-law is to amend and update the existing site-specific development standards and uses within City of Vaughan Zoning By-law 001-2021. The original site exception permitted 249 street townhouse and back-to-back townhouse dwellings, park, environmental protection areas ('Phase 1') and two commercial-residential mixed-use buildings ('Building A' and 'Building B') at the west end of the site ('Phase 2'). The owner wishes to permit the development of street townhouse dwelling, multiple-unit townhouse dwelling, semi-detached dwelling and environmental protection uses in place of Buildings 'A' and 'B'.
