Good Morning Ms. lafrate

I am writing to you for the second time this year in regards to buildings that are being proposed at Nashville and Hwy 27.

Earlier in the year we (residence of Kleinburg) tried to fight a building that would tower over our neighbours houses and have a strain on traffic in our growing community.

We wrote letters and went to meetings and signed petitions donated money for lawyers and we lost. Now we have been informed that City Park wants to build 2 buildings that will be 11 or 14 storeys high.

I feel like by the time we are notified the building is already a done deal. The

traffic in our town is horrible. We all moved here to get away from the city feel. We love our small town but it is becoming too busy and it is losing its charm.

I would hope that you will fight for us but if this is already a done deal, let us know.

I felt horrible when we lost the other decision.

Thank you for your time

Diane D'Uva.
