MINOR VARIANCE APPLICATION FILE NUMBER A185/24

CITY WARD #:	1
APPLICANT:	Ilya & Anna Batov
AGENT:	None
PROPERTY:	22 Clemson Crescent, Maple
ZONING DESIGNATION:	See Below
VAUGHAN OFFICIAL PLAN (2010) DESIGNATION:	City of Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"
RELATED DEVELOPMENT APPLICATIONS:	N/A
PURPOSE OF APPLICATION:	Relief from the Zoning By-law is being requested to permit a proposed dwelling.

The following variances have been requested from the City's Zoning By-law:

The subject lands are zoned R1E(EN) – Estate Residential Zone (Established Neighbourhood) and subject to the provisions of Exception 14.534 under Zoning By-law 001-2021, as amended.

#	Zoning By-law 001-2021	Variance requested
1	A maximum lot coverage of 23% is permitted provided the maximum height of the dwelling does not exceed 9.5 m. [Table 7-3]	To permit a maximum lot coverage of 25.64% for a dwelling.
2	A maximum height of 8.5 m is permitted for a dwelling. [4.5 Established Neighbourhood "-EN" Suffix]	To permit a maximum height of 9.5 m for a dwelling.

HEARING INFORMATION

DATE OF MEETING: Thursday, January 16, 2025

TIME: 6:00 p.m.

MEETING LOCATION: Vaughan City Hall, Woodbridge Room (2nd Floor), 2141 Major Mackenzie Drive

LIVE STREAM LINK: Vaughan.ca/LiveCouncil

PUBLIC PARTICIPATION

If you would like to speak to the Committee of Adjustment at the meeting, either remotely or in person, please complete the [Request to Speak Form](#) and submit to cofa@vaughan.ca

If you would like to submit written comments, please quote file number above and submit by mail or email to:

Email: cofa@vaughan.ca

Mail: City of Vaughan, Office of the City Clerk, Committee of Adjustment, 2141 Major Mackenzie Drive, Vaughan, ON, L6A 1T1

To speak electronically, pre-registration is required by completing the [Request to Speak Form](#) on-line and submitting it to cofa@vaughan.ca no later than NOON on the last business day before the meeting.

THE DEADLINE TO REGISTER TO SPEAK ELECTRONICALLY OR SUBMIT WRITTEN COMMENTS ON THE ABOVE NOTED FILE(S) IS NOON ON THE LAST BUSINESS DAY BEFORE THE MEETING.

INTRODUCTION

Staff and Agencies act as advisory bodies to the Committee of Adjustment. The comments contained in this report are presented as recommendations to the Committee.

INTRODUCTION

Section 45(1) of the Planning Act sets the criteria for authorizing minor variances to the City of Vaughan's Zoning By-law. Accordingly, review of the application may consider the following:

- That the general intent and purpose of the by-law will be maintained.
- That the general intent and purpose of the official plan will be maintained.
- That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- That the requested variance(s) is/are minor in nature.

Public written and oral submissions relating to this application are taken into consideration by the Committee of Adjustment as part of its deliberations and final decision on this matter.

COMMITTEE OF ADJUSTMENT

Date Public Notice Mailed:	December 20, 2024
Date Applicant Confirmed Posting of Sign:	December 31, 2024
Applicant Justification for Variances: <small>*As provided in Application Form</small>	Lot coverage restrictions do not allow for sufficient floor space for our growing family and for both parents working from home
Was a Zoning Review Waiver (ZRW) Form submitted by Applicant: <small>*ZRW Form may be used by applicant in instances where a revised submission is made, and zoning staff do not have an opportunity to review and confirm variances prior to the issuance of public notice.</small>	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>

Development Planning Recommended Conditions of Approval:	None

DEVELOPMENT ENGINEERING

[Link to Grading Permit](#)
 [Link to Pool Permit](#)
 [Link to Curb Curt Permit](#)
 [Link Culvert Installation](#)

As the proposed dwelling in the subject property exceeds 10 m², the Owner/ Applicant needs to obtain a 'Lot Grading Permit' from the Development Inspection and Lot Grading Division of the City's Development Engineering Department. Please note any in-ground structure over 10 m² requires a 'Grading Permit'. Please contact the Development Engineering Reviewer after receiving the Grading Permit to clear the condition. (Condition attached) The proposed work by the Owner/Applicant is increasing the lot coverage on the subject property. The added hardscape may have impacts on the City's Storm Water management system. Development Engineering strongly encourages the Owner / Applicant introduce Low-Impact Development (LID) measures (e.g., bioswales, permeable pavers, rain gardens, rain barrels etc.) to reduce the impacts to the stormwater system. Should further information be required, please contact the Development Engineering COA reviewer.

Development Engineering Recommended Conditions of Approval:	The Owner/Applicant shall submit an application for a Service Connection and to obtain a Cost Estimate by emailing serviceconnections@vaughan.ca . The Final Lot Grading and/or Servicing Plan will be required for the Service Connection Application. All costs associated with the service connection shall be the responsibility of the Owner/Applicant. Please visit the Service Connection page of the City of Vaughan's website: Service Connections City of Vaughan for more information. The Owner/Applicant is encouraged to initiate the process as early as possible as the Service Connection Application process typically takes 4-6 weeks. The Owner/Applicant shall submit an application and obtain an approved Grading Permit before initiating any work on the property.

 [Link Culvert Installation](#)

The Final Lot Grading and/or Servicing Plan will be required for the Grading Permit Application. Please visit the Permits page of the City of Vaughan's website: [Permits | City of Vaughan](#) to apply for a Grading Permit. For any inquiries regarding the Grading Permit, please email DEPermits@vaughan.ca

PARKS, FORESTRY & HORTICULTURE (PFH)

No Comments Received to date.

PFH Recommended Conditions of Approval:

Applicant/owner shall obtain a "Private Property Tree Removal & Protection" permit through the forestry division prior to any construction works on the subject property.

DEVELOPMENT FINANCE

That the payment of the City Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and City-wide Development Charge By-law in effect at time of payment.

That the payment of Region of York Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and Regional Development Charges By-laws in effect at time of payment.

That the payment of Education Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Education Act and York Region District School Board and York Catholic District School Board Development Charges By-laws in effect at time of payment.

That the payment of applicable Area Specific Development Charges are payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and Area Specific Development Charge By-laws in effect at time of payment.

Demolition development charge credits valid for a period of 48 months from date of demolition permit issuance. After 48 months, full development charges apply as per by-laws.

Development Finance Recommended Conditions of Approval:

None

BY-LAW AND COMPLIANCE, LICENSING AND PERMIT SERVICES

No Comments Received to date.

BCLPS Recommended Conditions of Approval:

None

BUILDING INSPECTION (SEPTIC)

No Comments Received to date.

Building Inspection Recommended Conditions of Approval:

None

FIRE DEPARTMENT

No Comments Received to date.

Fire Department Recommended Conditions of Approval:

None

RECOMMENDED CONDITIONS OF APPROVAL SUMMARY

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application, as required by Ontario Regulation 200/96, the following conditions have been recommended:

#	DEPARTMENT / AGENCY	CONDITION
1	Development Engineering jonal.hall@vaughan.ca	The Owner/Applicant shall submit an application for a Service Connection and to obtain a Cost Estimate by emailing serviceconnections@vaughan.ca . The Final Lot Grading and/or Servicing Plan will be required for the Service Connection

RECOMMENDED CONDITIONS OF APPROVAL SUMMARY

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application, as required by Ontario Regulation 200/96, the following conditions have been recommended:

		<p>Application. All costs associated with the service connection shall be the responsibility of the Owner/Applicant. Please visit the Service Connection page of the City of Vaughan's website: Service Connections City of Vaughan for more information. The Owner/Applicant is encouraged to initiate the process as early as possible as the Service Connection Application process typically takes 4-6 weeks. The Owner/Applicant shall submit an application and obtain an approved Grading Permit before initiating any work on the property. The Final Lot Grading and/or Servicing Plan will be required for the Grading Permit Application. Please visit the Permits page of the City of Vaughan's website: Permits City of Vaughan to apply for a Grading Permit. For any inquiries regarding the Grading Permit, please email DEPermits@vaughan.ca</p>
2	Parks, Forestry and Horticulture Operations zachary.quizzetti@vaughan.ca	Applicant/owner shall obtain a "Private Property Tree Removal & Protection" permit through the forestry division prior to any construction works on the subject property.
<p><i>All conditions of approval, unless otherwise stated, are considered to be incorporated into the approval "if required". If a condition is no longer required after an approval is final and binding, the condition may be waived by the respective department or agency requesting conditional approval. A condition cannot be waived without written consent from the respective department or agency.</i></p>		

IMPORTANT INFORMATION

CONDITIONS: It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency (**see condition chart above for contact**). This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

APPROVALS: Making any changes to your proposal after a decision has been made may impact the validity of the Committee's decision.

An approval obtained from the Committee of Adjustment, where applicable, is tied to the building envelope shown on the plans and drawings submitted with the application and subject to the variance approval.

A building envelope is defined by the setbacks of the buildings and/or structures shown on the plans and drawings submitted with the application, as required by Ontario Regulation 200/96. Future development outside of an approved building envelope, where a minor variance was obtained, must comply with the provisions of the City's Zoning By-law.

Elevation drawings are provided to reflect the style of roof (i.e. flat, mansard, gable etc.) to which a building height variance has been applied. Where a height variance is approved, building height is applied to the style of roof (as defined in the City's Zoning By-law) shown on the elevation plans submitted with the application.

Architectural design features that are not regulated by the City's Zoning By-law are not to be considered part of an approval unless specified in the Committee's decision.

DEVELOPMENT CHARGES: That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.

NOTICE OF DECISION: If you wish to be notified of the decision in respect to this application or a related Ontario Land Tribunal (OLT) hearing you must complete a Request for Decision form and submit to the Secretary Treasurer (ask staff for details). In the absence of a written request to be notified of the Committee's decision you will **not** receive notice.

SCHEDULE A: DRAWINGS & PLANS

EXISTING LOT STRUCTURES Squarefootage CALCULATION:

Lot area = 10,357 sq.ft/ 962.19 m²
 Existing House Coverage area= 2,068 sq.ft
 Existing Garden Shed Coverage area = 173 sq.ft
 Existing Swimming pool Coverage area = 678 sq.ft
 Total =(2,068+173+678)= 2,922 sq.ft/ 271.46m²
 Existing Lot Coverage area =(28.2%)

Data Form for CofA: Zoning: R1E(-EN) / Residential First Density Zone

#	Zoning By-law:001-2021	Variance requested:
1	A maximum lot coverage of 23% is permitted if max. height not exceed 9.5m	To permit a maximum lot coverage of 25.64% for a dwelling
2	A maximum height of 8.5m is permitted for a dwelling [4.5 "-EN" Suffix]	To permit a maximum height of 9.5m for a dwelling.

LOT STATISTICS: Zoning: R1E(-EN) / Residential First Density Zone Except: 534

	Required	Proposed
Max. Lot Coverage=	23%	25.64%
Max. Height =	8.5m (by4.5-EN)	9.5m
Min. Setbacks:		
Front Yard =	9 m	9.01 m
Rear Yard =	7.5 m	7.53 m
Interior Side Yard =	1.5 m	1.51 m
Exterior Side Yard =	9 m	9.00 m
Encroachments:		
Max. Roof Overhang=	0.5m	0.50m
Uncovered Platform=	2.4m	2.40m
Window Projection=	1.0m	0.60m

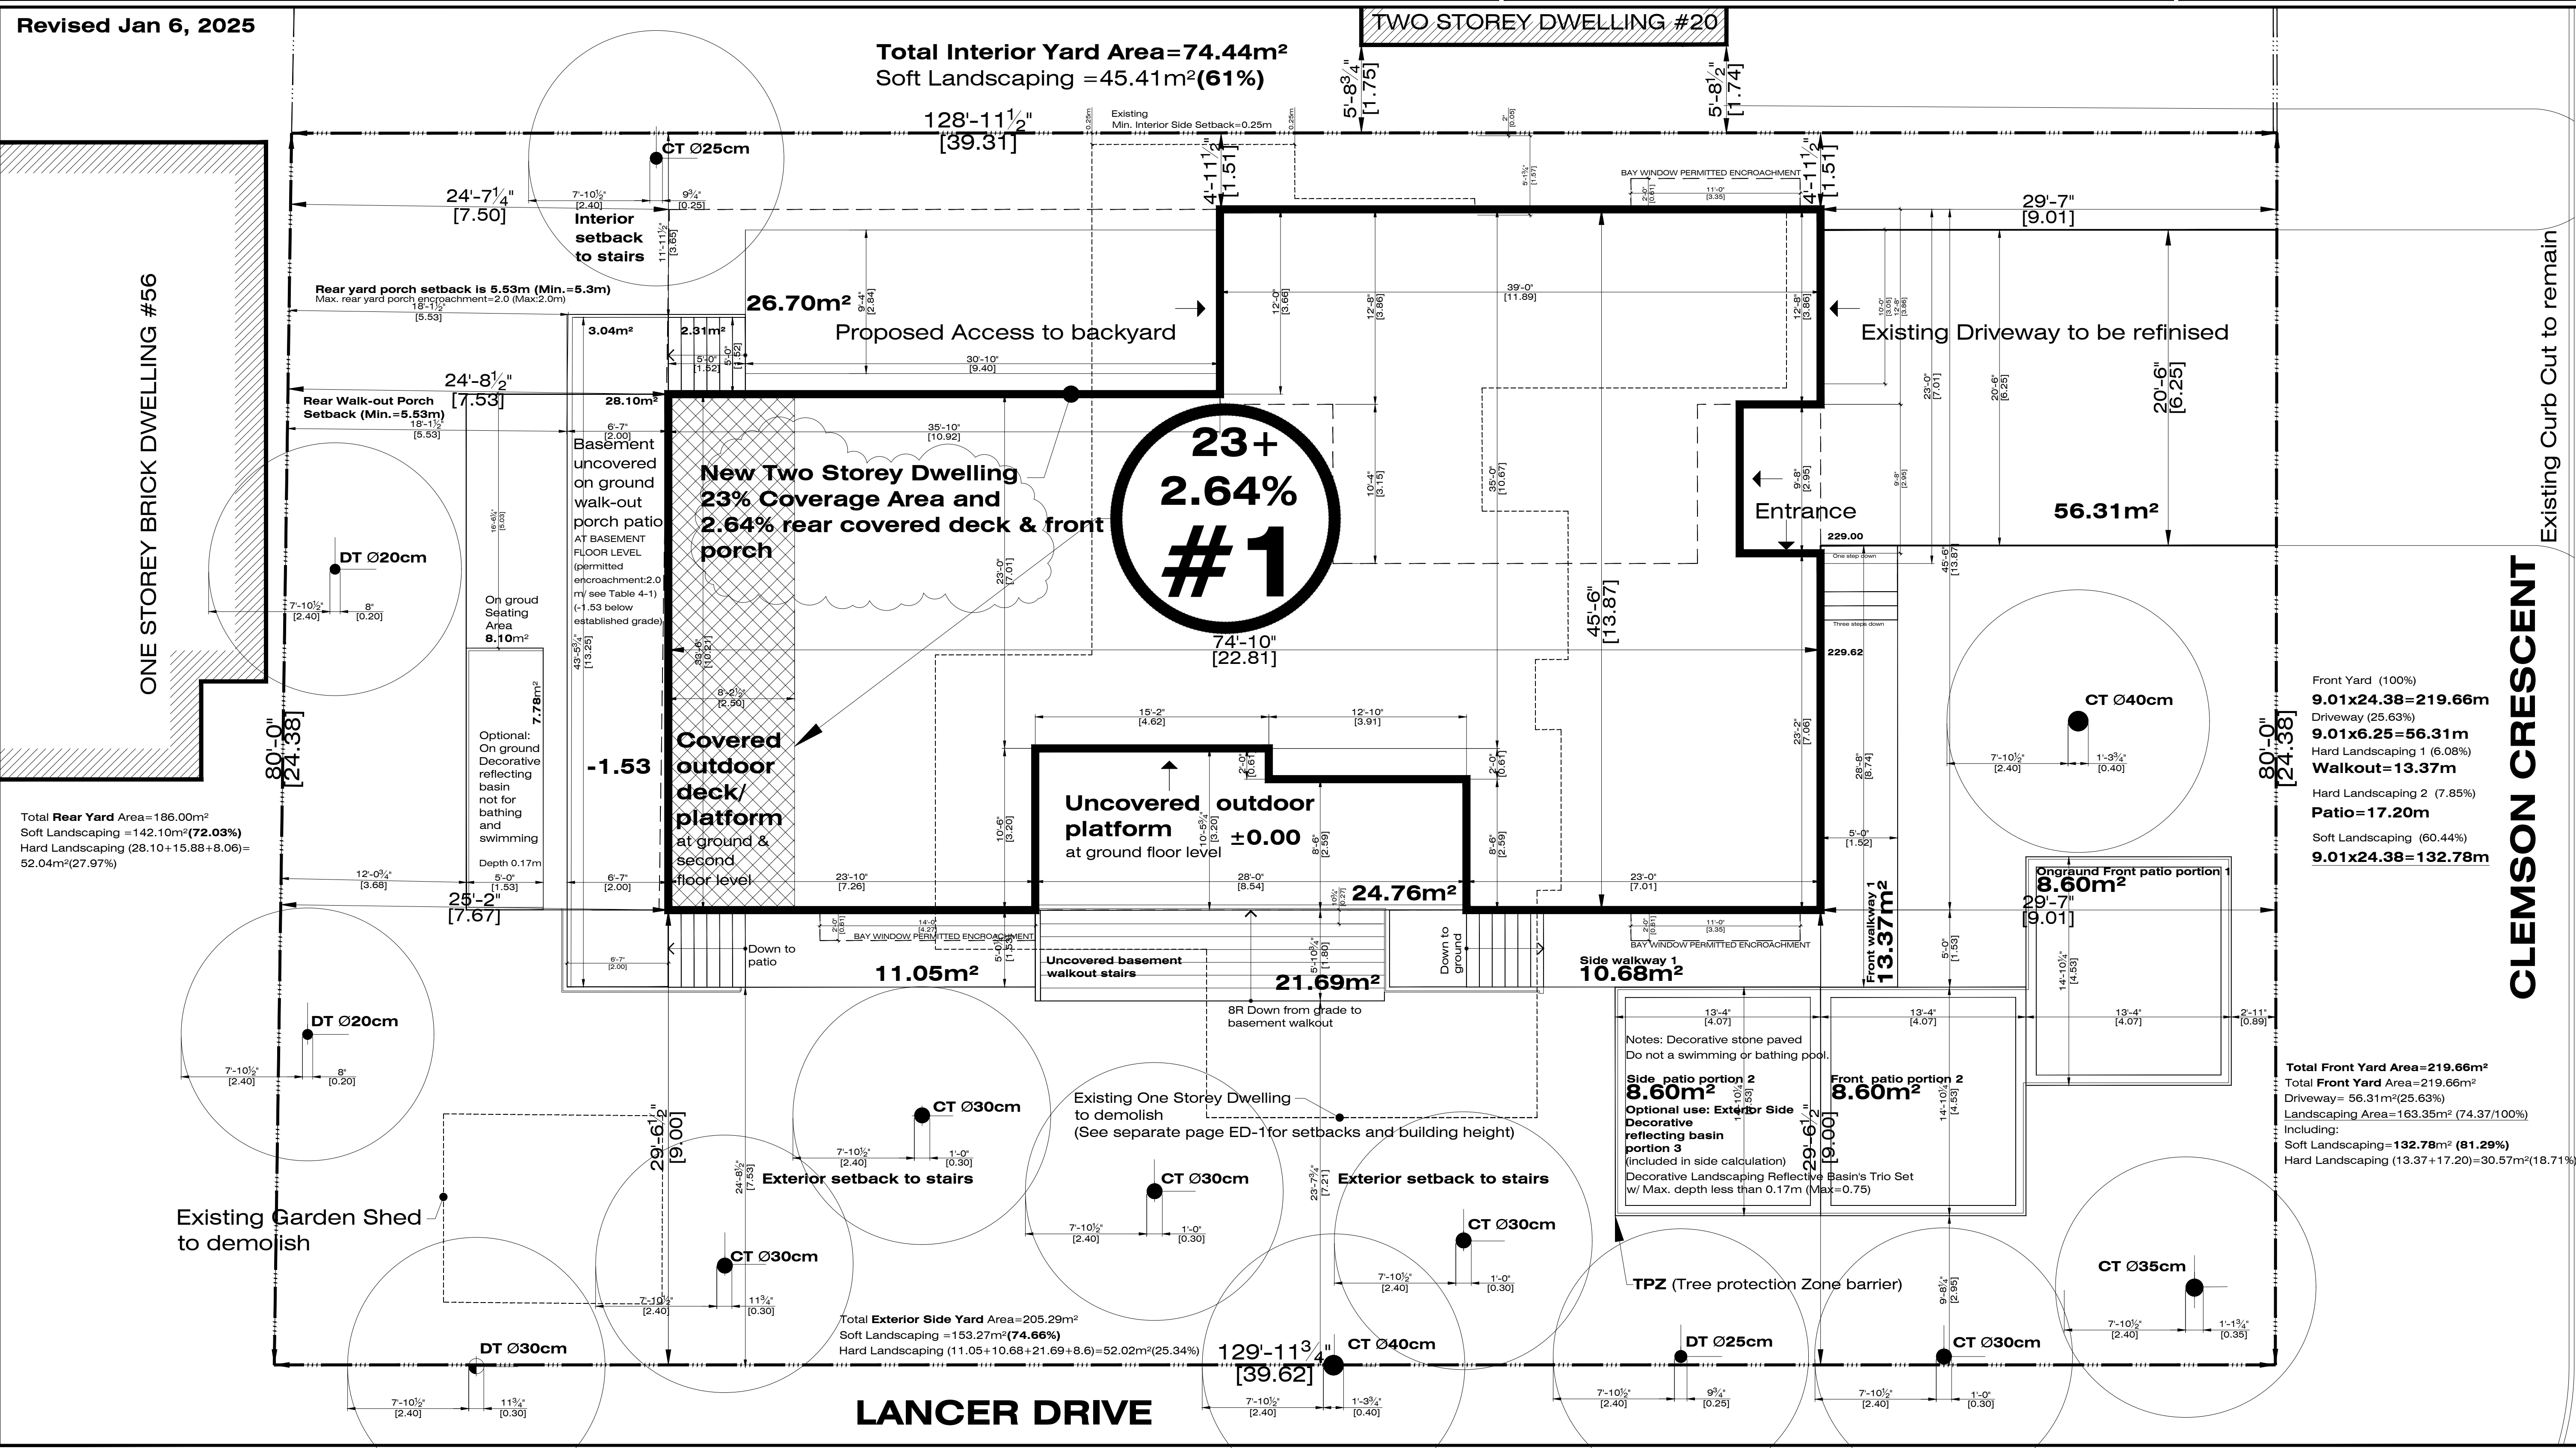

SITE PLAN SCALE: 3/16" = 12"

SQUAREFOOTAGE:

Lot area= 962.19 m²/ 10,357 sq.ft
 Lot frontage=24.38m
 Building Setbacks Envelope= 317.35 m²/ 3,416 sq.ft
 Proposed Building Footprint= 246.75 m²/ 2,656 sq.ft
 Allowed Lot Coverage 23%= 221.30 m²/ 2,382 sq.ft
 Proposed Lot Coverage 25.6%= 246.75 m²/ 2,656 sq.ft^(+11.5%)
 (*+11.5% to existing coverage area apparently may be considered as a minor)
 Proposed Ground Floor Area (23+2.54=25.64%)=246.75m²/ 2,656 sq.ft
 Proposed Ground + Second Floor GFA =493.50m²/ 5,312 sq.ft
 (required maximum GFA area not restricted and floor space index not applicable)

COMMENTS:

- We have reviewed the proposed Variance Application and have no comments or objections to its approval.
- We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.

To: Committee of Adjustment
From: Catherine Saluri, Building Standards Department
Date: December 18, 2024
Applicant: Ilya Batov
Location: 22 Clemson Crescent
 PLAN RP5590 Lot 47
File No.(s): A185/24

Zoning Classification:

The subject lands are zoned R1E (EN), First Density Residential Zone (Established Neighbourhood) and subject to Exception 14.534 under Zoning Bylaw 001-2021.

#	Zoning By-law 001-2021	Variance requested
1	A maximum lot coverage of 23% is permitted provided the maximum height of the dwelling does not exceed 9.5 m. [Table 7-3]	To permit a maximum lot coverage of 25.64% for a dwelling.
2	A maximum height of 8.5 m is permitted for a dwelling. [4.5 Established Neighbourhood “-EN” Suffix]	To permit a maximum height of 9.5 m for a dwelling.

Staff Comments:

Stop Work Order(s) and Order(s) to Comply:

There are no outstanding Orders on file.

Other Comments:

General Comments	
1	The Applicant shall be advised that additional variances may be required upon review of detailed drawings for building permit.
2	The Applicant shall be advised that the construction of separate/alternate entrances (rear and exterior side) shall not serve as access to a Secondary Suite.
3	The Applicant shall be advised that the reflective basins shall not exceed 0.76 m in depth, or they will be reviewed as Swimming Pools, as defined in Section 3.0 of the zoning bylaw, and will be required to comply with Subsection 4.21 Swimming Pools.
4	The Applicant shall be advised that the maximum permitted lot coverage in the R1E Zone shall be 23% provided the maximum height of the dwelling does not exceed 9.5 m. Should the dwelling exceed 9.5 m in height, additional review and potential variances may be required with respect, but not limited to, minimum interior side yard, maximum lot coverage, minimum front yard.

Conditions of Approval:

If the committee finds merit in the application, the following conditions of approval are recommended.

None

File No.(s): A185/24

Proposed Variance(s) (By-law 001-2021):

1. To permit a maximum lot coverage of 25.64% for a dwelling.
2. To permit a maximum height of 9.5 m for a dwelling.

By-Law Requirement(s) (By-law 001-2021):

1. A maximum lot coverage of 23% is permitted provided the maximum height of the dwelling does not exceed 9.5 m.
2. A maximum height of 8.5 m is permitted for a dwelling.

Official Plan:

City of Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

Comments:

The Owner is seeking relief to permit the construction of a new two-storey detached dwelling, with the above noted variances.

The Development and Parks Planning Department has no objection to Variance 1 for an increase of 2.64% to the permissible lot coverage. The proposed dwelling and garage area accounts for 22.5% of the total lot coverage, 0.5% allocated for the covered front porch, and 2.64% allocated for the covered unenclosed rear deck. In 2004 a comprehensive study and review of the redevelopment of specific established neighbourhoods was conducted. The review included the neighbourhood containing the Subject Lands. The study established development criteria which included a maximum 23% lot coverage for 2-storey detached dwellings. The coverage relates to the enclosed space of and attached to the dwelling, however additional lot coverage for accessory structures and unclosed porches and decks may be considered through site specific analysis. The lot coverage of the proposed two-storey dwelling meets the 23% lot coverage allowance of the study, and the additional lot coverage proposed is associated with an unenclosed rear deck and front porch.

The Development Planning and Parks Department has no objection to Variance 2 for an increase of 1 m to the permitted dwelling height. The height is measured from grade to the highest point of the roof. An increase of 1 m to the permissible height for the proposed dwelling is minor in nature and is not anticipated to have adverse massing effects to the surrounding properties.

An arborist report prepared by Jonathan O'Neill, dated November 10, 2024, was submitted in support of the application. The Forestry Department has reviewed the report and have no concerns with the proposal.

Accordingly, the Development and Parks Planning Department can support the requested variances and is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

Recommendation:

The Development and Parks Planning Department recommends approval of the application.

Conditions of Approval:

If the Committee finds merit in the application, the following conditions of approval are recommended:

None.

Hello,

Based on a review of our screening mapping, I can confirm that the subject property is not located within TRCA's Regulated Area. As such, any site alteration or development on the property would not require a permit from the TRCA.

Based on the above, we have no comments/requirements.

Regards,

Cameron McDonald

To whom it may concern,

I am the resident at 51 Lancer drive and would like to submit comments related to the Committee of Adjustments application for 22 Clemson Cr., File #A185/24

I am strongly in favour of the Committee of Adjustment approving the proposed variance. In my opinion, approving the variance to increase lot coverage above the permitted 23% will allow for the construction of dwellings more appropriate in size and design for the lot sizes in the neighbourhood.

I feel that dwellings designed without the very restrictive 23% permitted lot coverage will contribute more positively to the appeal of the neighbourhood.

As the resident living right across the street from 22 Clemson (which is clearly visible from my front windows), I encourage the committee to approve the requested variance.

Sincerely,
Michele Santaluce

Thank you for this notification . I oppose the application as the last (known) member of the original "OLD MAPLE RATEPAYERS ASSOCIATION" (I suspect that most of the other leaders have departed this world) I am still a strong believer of OUR original doctrine. I have had feedback from original applicants who NOW recognise the wisdom of deferring their desires. Should your committee agree to this request why would they NOT also agree to the future owner of my property asking for a LARGER lot coverage (how about 97% ? Where is the limit ?) I have followed through several past applications to the OMB===won most-- lost some (OMG)_?) I once asked your committee ... what would it take for the committee to turn down an applicant ... reply from a member--- Howard \$%%\$%%\$%- was... "If YOU were applying"

I have spoken with my "future" neighbours-- tried to explain the policy; why in the future they may not agree with a new infil next door builder who wants 37 % lot coverage and a 10 FT. higher roofline and that the 15% allowable variance is something that many many others have accepted despite their original desire for a larger lot coverage. My new neighbour's purchase of this property seems to say that they like the neighbourhood as it is , however, like many before them they think that they need or want a larger home ---yes , I'm sure they are special !

Over the years , when once everything was accounted for as lot coverage, you now give "fancy " Italian names to property structures (?) no longer considered as property coverage , you allow bricking over of backyards so that our southern neighbours (TO) have to deal with excessive water flow that cannot be absorbed here ("floating down the DVP"). My hope is that you can change the mindset of my new neighbours---- I have told them that SOME have succeeded in their quest for larger lot coverage , but they seem to think (?) that they are special ?)(or entitled ?)

I would not mind a reply to my message from you.... I believe that I am a sincere citizen of Maple (40 + years) and hope that my "new" neighbours can modify their desires.
