**Report Highlights**

- The Comprehensive Zoning By-law was enacted by Council on October 20, 2021.

- A technical report considering the noted corrections and amendments will be brought forward to a future Committee of the Whole meeting.

**Recommendations**

1. THAT the Public Meeting report for Zoning By-law Amendment File Z.25.005 (THE CORPORATION OF THE CITY OF VAUGHAN) BE RECEIVED, and that any issues identified be addressed by the Development and Parks Planning Department in a comprehensive report to the Committee of the Whole.

## **Background**

Location: *City-wide and for the site-specific amendments identified in Attachment 2.*

On October 20, 2021, Council adopted the Comprehensive Zoning By-law, which affects all properties within the City of Vaughan, with the exception of lands in the vicinity of Yonge Street and Steeles Avenue West, as shown on Attachment 1. The Comprehensive Zoning By-law replaces Zoning By-law 1-88 with the exception of matters of transition pursuant to section 1.6 of the Comprehensive Zoning By-law and the Yonge-Steeles Corridor Secondary Plan.

The Comprehensive Zoning By-law has been appealed to the Ontario Land Tribunal (“OLT”) by a number of appellants. The OLT issued an order on December 28, 2022, which was subsequently corrected on March 28, 2023, bringing into effect sections of the Comprehensive Zoning By-law that have not been appealed.

On May 17, 2022, and October 29, 2024, Council approved site-specific and general amendments to correct errors in the Comprehensive Zoning By-law. Since that time, staff have identified additional errors in the Comprehensive Zoning By-law and have identified other provisions that require clarification. This report identifies further recommended amendments to correct: (1) site-specific amendments as shown on Attachment 2; and (2) general amendments as shown on Attachment 3.

Reports detailing further recommended site-specific and general amendments to the Comprehensive Zoning By-law will be brought forward to correct errors that may be identified in the future, as required.

The proposed amendments are intended to ensure that current and future owners and tenants of the lands are not adversely impacted by legal non-conforming status or site-specific discrepancies between Zoning By-law 1-88 and the Comprehensive Zoning By-law.

***General amendments to the Comprehensive Zoning By-law are proposed, as shown on Attachment 3.***

The general amendments to the Comprehensive Zoning By-law identified in Attachment 3 are proposed to provide clarity with respect to various maps and text provisions relating to permitted uses, definitions, lot and building requirements, notes, tables, and special provisions.
