The Owner has submitted a Draft Plan of Condominium (the Application) for the Subject Lands to establish the standard condominium tenure for the existing multi-unit employment building as shown on Attachment 2.

## **Previous Reports/Authority**

Not applicable.

## **Analysis and Options**

### ***The Application is consistent with the Provincial Planning Statement 2024 and conforms to the Vaughan Official Plan 2010***

#### **Provincial Planning Statement, 2024 (PPS 2024)**

The Provincial Planning Statement 2024 (PPS 2024) is a policy statement issued pursuant to section 3 of the Planning Act and comes into effect on Oct. 20, 2024. All decisions made on or after Oct. 20, 2024, in respect of the exercise of any authority that affects a planning matter shall be consistent with this policy statement. The PPS 2024 provides direction on matters of Provincial interest related to land use planning and development province-wide, helping achieve the provincial goal of meeting the needs of a fast-growing province while enhancing the quality of life for all Ontarians.

The Subject Lands are within a Settlement Area and the Delineated Built-Up Area of the Built Boundary of York Region. The Subject Lands are developed for employment uses in an established Settlement Area where full municipal services exist. The condominium tenure will not change the built form or use of the existing building. Staff are satisfied that the Application is consistent with the PPS 2024.

#### York Region Official Plan 2022 (YROP 2022)

York Region Council adopted the YROP 2022 in June 2022. YROP 2022 was approved, as modified, by the Minister of Municipal Affairs and Housing in November 2022, bringing it into full force and effect. Bill 150 (*Planning Statue Law Amendment Act, 2023*) and Bill 162 (*Get It Done Act, 2024*) later rescinded some of those modifications.

On June 6, 2024, Bill 185 (*Cutting Red Tape to Build More Homes Act, 2024*) (Bill 185) received Royal Assent which includes amendments to the *Planning Act*. In accordance with the amendments to the *Planning Act* implemented through Bill 185, York region became a Region without planning responsibilities effective July 1, 2024.

Pursuant to subsection 70.13(2) of the *Planning Act*, YROP 2022 is deemed to constitute an official plan of the City in respect of any area in the City to which it applies and will remain in effect until the City revokes or amends it.

#### Vaughan Official Plan 2010 (VOP 2010)

VOP 2010 sets out the municipality's general planning goals and policies that guide future land use. The Subject Lands are identified in VOP 2010 as follows:

- "Employment Area" on Schedule 1 – Urban Structure of VOP 2010
- "General Employment" on Schedule 13 – Land Use of VOP 2010

The General Employment designation permits a full range of industrial uses along with office and/or retail uses accessory to and directly associated with said industrial uses. The Application shown on Attachment 2, maintains the existing multi-unit employment building on the Subject Lands. On this basis, the Application conforms to VOP 2010.

The Subject Lands are not subject to Site Plan Control and the building was constructed in 1988 with an addition in 2004 in accordance with the issuance of Building Permits.

#### **No Amendments to Zoning By-law 001-2021 are required for the Application**

- EM2 General Employment Zone by Zoning By-law 001-2021.
- This Zone permits employment uses and limited commercial uses.

The EM2 Zone permits the existing multi-unit building and the site complies with the requirements of Zoning By-law 001-2021.

***The Development and Parks Planning Department supports the Application, subject to conditions***

The Draft Plan of Condominium (Standard) shown on Attachments 3 and 4 is consistent with the existing development on the Subject Lands shown on Attachment 2. There are six units on the first level along with stairwells belonging to separate units on the second level. The second level contains one unit that aside from its stairwells, is fully contained on the second level, and additional second floor space of two units from the first level.

The Development and Parks Planning Department recommends approval of the Application as shown on Attachments 3 and 4, subject to conditions identified in Attachment 5.

**Financial Impact**

There are no requirements for new funding associated with this report.

**Operational Impact**

***Other City Departments, external agencies and various utilities have no objection to the Application subject to conditions***

Financial Planning and Development Finance, Bell Canada, Alectra Utilities, Canada Post Corporation, all have no objections to the Application, subject to conditions included on Attachment 5.

The By-law and Compliance, Licensing and Permit Services, Zoning Services, Cultural Heritage, Development Engineering, Emergency Planning, Fire and Rescue Service, Environmental Services, Real Estate, Parks, Forestry and Horticulture Operations, Transportation and Fleet Management Services, York Region, Rogers Communications Inc., all have no objection to the Application.

**Broader Regional Impacts/Considerations**

The Application has been circulated to York Region for the purpose of receiving comments on matters of Regional interest i.e. roads and servicing infrastructure. York Region has no objection to the approval of the Application.

**Conclusion**

The Development and Parks Planning Department is satisfied the Application to create a standard condominium tenure for the existing multi-unit employment building on the Subject Lands is consistent with the PPS 2024, conforms to YROP 2022 and VOP 2010, complies with Zoning By-law 001-2021, and is appropriate and compatible with existing and planned surrounding land uses. Accordingly, the Development and Parks Planning Department can recommend approval of the Application, subject to the recommendations in this report and Conditions of Draft Approval in Attachment 5.
