Analysis and Options

Recommendations from the VMC Sub-Committee meeting of May 21, 2025, are being presented for consideration by Committee of the Whole – please refer to Attachment 1 for details.

Financial Impact

There are no immediate budgetary impacts resulting from the adoption of this report. Additional capital and operating funding will be required in future years as reviewed and updated as part of the City's annual budget process.

Operational Impact

The VMC Transportation Master Plan was developed in consultation with internal stakeholder departments through regular Technical Advisory Committee meetings and other engagement touchpoints. The various ongoing VMC plans and studies inform each other and are being closely managed to ensure their collective contribution to the Term of Council Strategic Priorities.

This Transmittal Report has been prepared in collaboration with staff from the Development Engineering (VMC), Policy Planning & Special Programs Department.

Broader Regional Impacts/Considerations

A Technical Advisory Committee comprised of various City departments and other government agencies was established and consulted throughout the duration of the study. Public agencies include York Region, Toronto and Regional Conservation Authority, School Boards, Ministry of Transportation, Infrastructure Ontario, Nav Canada, Ministry of Municipal Affairs and Housing, Toronto Transit Commission, Metrolinx and 407 ETR. The purpose of the group is to provide technical advice and insight on key aspects of the study.

Continuous collaboration is an important factor in realizing the success of the VMC. Key recommendations proposed in the VMC Transportation Master Plan will require coordination with regional stakeholders and external agencies to determine their feasibility and advance their design and implementation.

Conclusion

This is a transmittal report from the City Clerk on behalf of the VMC Sub-Committee forwarding recommendations from its meeting of May 21, 2025, for consideration by Committee of the Whole.
