Subject: Applicant 2847382 ontario Inc

I live at 26 forest heights.

I'm opposed to this application

For the 20 towhomes dwelling,

High way 27 is already very congested with traffic ,

And our neighbourhood are all

Estets lots bringing townhomes here it will gretely depreciate

The value of our homes and the communities.

I'm straight against it.

Thank you,

John Giancola
