LOW PROFILE FIXED WINDOWS COLLECTION PLATINUM SERIES			
<p>Our low profile window is designed to maximize the glass area of the window. With no operating sash, we are able to shrink the sash size down considerably compared to our high profile fixed. Often referred to as picture window.</p>			

DESCRIPTION	SPECIFICATIONS	DOCUMENTS	GALLERY
<p>3 ¼" standard frame depth that can be customized with various jam sizes to meet your depth requirements.</p> <p>Narrow Profile to allow more sunlight in</p> <p>Standard Preserve™ window film</p>
