Please find attached the Request for Proclamation for the upcoming World Autism Awareness Day that we will be celebrating on April 2, 2020

Autism Ontario is the leading source of information and referral on autism in the York Region, and one of the largest collective voices representing the autism community. Members are connected through a volunteer network of chapters throughout the Province of Ontario.

We are guided by a Board of Directors, composed primarily of parents of individuals with autism, plus a host of volunteers and respected professionals who provide expertise and guidance to the organization on a volunteer basis.

Autism Ontario is dedicated to increasing public awareness about autism and the day-to-day issues faced by individuals with autism, their families and the professional with whom they interact. The association and its chapters share common goals of providing information and education, supporting research and advocating for programs and services for the autism community.

Our York Region chapter proudly serves 11,000 individuals with autism and their families living in the region. We would like to count the City of Vaughan as a community partner that will join us in a flag raising.

Please let us know if you require any additional information from us.
