Attention: Office of the City Clerk, Committee of Adjustments

Regarding: : Minor Variance Application A019/20, 160 Cidermill Avenue Unit 10

Applicant requests the increase to a Personal Service Shop. During the hearing can you please obtain more information on what the new occupancy load during the day and evening will be?

Currently parking is at capacity during daytime hours, with very few open spots.

If the application proceeds, can the city look at opening up more street parking?

Thank You

Pat Candeloro
