Subject: [External] MINOR VARIANCE APPLICATION A019/20

Dear committee of adjustments,

I am the unit owner of unit 6 at 160 Cidermill Ave. My only concern if this variance is granted is parking. As all our units (24 of them) are fully occupied with multiple employees in some units, parking is at a minimal. A lot of units have second floors. I believe there should be some kind of parking assessment done with this unit asking for an increase to their personal service shop. Parking already is an issue, this would just add to our problem.

For your consideration. Thank-you.

Lily Mannarino
