Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood on the following grounds:

1. The proposed density is between double and triple that allowed in the Secondary Plan.

2. The proposed height is more than double what is currently allowed in the Secondary Plan.

I draw your attention to the facts that there has hardly been any consultation with the community and that the existing infrastructure cannot support this large an increase in
population.

Please keep me informed of any actions Council may take on these proposals. Thank you.
