Hello

Hope you and your families are safe and well

I'm a local restaurant in Woodbridge and am hopeful and thinking forward to, if and when an allowance for a patio to reopen we would like to try and take advantage or don't pleasantly have a patio and we desperately could use the business

Could we Pop up a temporary Patio in our parking lot obviously no obstruction of the driving space and following all the rules of closing off the space as per your guidelines I have spoken to AGCO as well I can obtain a temporary license extension if I get permission from the clerks and landlords offices, hopefully in these unprecedented times this will be allowed when permitted by the province

Lori
