**Subject:** [External] Objection of the proposed development plans at the Yonge & Steeles

Dear Mr. Coles,

Please register my objection of the proposed development plans at the Yonge & Steeles neighbourhood because the facilities being proposed are only for the benefit of the residents who live in the proposed developments. There has been little to no consultation with the community and the existing infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.

Marissa Muscat
