**Subject:** [External] Proposed development Yonge Steele's

Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood because (pick one or two reasons to include in your email):

1. The proposed density is between double and triple that allowed in the Secondary Plan
2. The proposed height is more than double what is currently allowed in the Secondary Plan
3. The proposals do not enhance the existing neighbourhood
4. The facilities being proposed are only for the benefit of the residents who live in the proposed developments
5. There has been little to no consultation with the community
6. The existing facilities/infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.

On a personal note I am a senior and have lived most of my adult life in Thornhill. My husband and my life will be greatly affected by the huge traffic and number of people shopping, driving, walking etc in this lovely community I call home.

I would be happy to meet with you on Zoom and express to you how you would be damaging my life and all of us in these buildings and we are the ones that have through our tax dollars built Thornhill. Also looking forward my Grandchildren live in this area as well. They will not be able to cross the street, ride their bikes, get safely to school, etc with the road traffic this will cause. We have had to change the right turn light at Hilda and Clark because of safety imagine adding thousands and thousands of people going to the shopping centre right across the street. I could go on for hours. Please PUT OUR SAFETY BEFORE YOUR DOLLARS. BETTER SAFE THAN REALLY SORRY ESPECIALLY WHEN YOU CAN DO SOMETHING NOW. REMEMBER WE COULD BE YOUR MOTHER AND YOUR CHILDREN. Would you do it to them and face the consequences? Think about this long and hard PLEASE CONFIRM RECEIPT OF THIS LETTER
