Subject: [External] Regarding notice of public hearing

Hi, I am writing with regard to the official plan amendment file OP20.002 and zoning bylaw file Z.20.005

While I can't attend the hearing I would like to know the process to object this plan proposal.

I live at 115 Crestwood and the planned proposal intrudes does not fit the community and has negative impact to the privacy of my residence.

Thanks

Yu Bai
