Subject: [External] Yonge - Steeles Redevelopment Plan

Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood because (pick one or two reasons to include in your email):

- 1. The proposed density is between double and triple that allowed in the Secondary Plan.
- The proposed height is more than double what is currently allowed in the Secondary Plan.
- 3. The proposals do not enhance the existing neighbourhood.

- 4. The facilities being proposed are only for the benefit of the residents who live in the proposed developments.
- 5. There has been little to no consultation with the community.
- 6. The existing facilities/infrastructure cannot support this large an increase in population.

Thank you.

Esther Freedman
