Subject: [External] objection to yonge & steeles development! seriously? its so congested already!

Dear Mr. Coles,

Please register my strong objection to the proposed development plans at the Yonge & Steeles neighbourhood because

The proposed density is between double and triple that allowed in the Secondary Plan. The area is already too congested.

The proposals do not enhance the existing neighborhood in any way whatsoever!!

There has been little to no consultation with the community

The existing facilities/infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.

Tzivyah Starr
