Subject: [External] YONGE-STEELES DEVELOPMENT

Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood because:

1. The proposed density is between double and triple that allowed in the Secondary Plan
2. The existing facilities/infrastructure cannot support this large increase in population - the pre-COVID traffic on Steeles was already a disaster, especially between Yonge and Hilda, the exact location of the proposed buildings.

Please keep me informed of any actions Council may take on these proposals.
