Applicant has advised that they cannot comply with By-law for the following reason(s): Due to safety concerns and the irregular shape of the lot.

Adjournment Request: N/A

Building Standards (Zoning Review):

Stop Work Order(s) and Order(s) to Comply: There are no outstanding Orders on file

A Building Permit has not been issued. The Ontario Building Code requires a building permit for structures that exceed 10m2

The applicant shall be advised that additional variances may be required upon review of detailed drawing for building permit/site plan approval.

Building Inspections (Septic):

No comments or concerns

Development Planning:

Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

The Owner is requesting permission to construct a swimming pool and maintain an existing shed in the rear yard of the subject lands with the above-noted variances.

The Development Planning Department has no objection to the height of the existing shed and reduced interior side yard setback to the proposed swimming pool as they do not create adverse impacts on the neighbouring properties.

Accordingly, the Development Planning Department is of the opinion that the variances are minor in nature, maintain the general intent and purpose of the Official Plan and Zoning By-law, and are desirable for the appropriate development of the land.

The Development Planning Department recommends approval of the application.

Cultural Heritage (Urban Design):

No Comment.

Development Engineering:

The Owner/applicant shall apply for a pool permit with the Development Engineering (DE) Department. Please visit or contact the Development Engineering Department through email at DEPermits@vaughan.ca or visit https://www.vaughan.ca/services/residential/dev_eng/permits/Pages/default.aspx to learn how to apply for the pool permit.

The Development Engineering Department does not object to the minor variance application A056/20.

Parks, Forestry and Horticulture Operations:

Private Property Tree Removal Permit was issued on July 3, 2020 (Permit # 2020-89) to remove 3 trees in back yard. Owner is required to replant 4 trees within one year (July 3, 2021).

To allow for pool construction owner shall apply for a Private Property Tree Removal & Protection permit, for tree protection only. For any private trees measuring 20cm DBH and/or public trees of any size to prevent mechanical damage to the crown or roots during construction.

Along with application owner shall submit an Arborist Report to inventory all trees over 20cm on subject site and within 6 meters of property boundary.

By-Law and Compliance, Licensing and Permit Services:
No Response.

Financial Planning and Development Finance:
No comment no concerns

Fire Department:
No Response.

Region of York – No concerns or objections

Staff Recommendations:
Staff and outside agencies (i.e. TRCA) act as advisory bodies to the Committee of Adjustment. Comments received are provided in the form of recommendations to assist the Committee.

The Planning Act sets the criteria for authorizing minor variances to the City of Vaughan’s Zoning By-law. Accordingly, review of the application considers the following:

- ✓ That the general intent and purpose of the by-law will be maintained.
- ✓ That the general intent and purpose of the official plan will be maintained.
- ✓ That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- ✓ That the requested variance(s) is/are minor in nature.

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application as required by Ontario Regulation 200/96 the following conditions are recommended: N/A

Conditions

It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency. This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

Please Note:

Relief granted from the City’s Zoning By-law is determined to be the building envelope considered and approved by the Committee of Adjustment.

Development outside of the approved building envelope (subject to this application) must comply with the provisions of the City’s Zoning By-law or additional variances may be required.

Elevation drawings are provided to reflect the style of roof to which building height has been applied (i.e. flat, mansard, gable etc.) as per By-law 1-88 and the Committee of Adjustment approval. Please note, that architectural design features (i.e. window placement), that do not impact the style of roof approved by the Committee, are not regulated by this decision.

Notice to the Applicant – Development Charges

That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.

COMMENTS:

- ☐ We have reviewed the proposed Variance Application and have no comments or objections to its approval.
- ☒ We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- ☐ We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.
