Background

Caribbean Heritage Month

Correspondence was received from the CWS requesting a proclamation.

Caribbean Heritage Month provides an opportunity to remember, celebrate and educate on Caribbean-Canadians and the important role that they have played and continue to play in communities across Ontario.

If approved, the City of Vaughan would be participating alongside other municipalities in recognizing the important contributions that Caribbean-Canadians have made.

Council has previously granted this request.

Older Persons Day

Correspondence was received from the CURC requesting a proclamation.

The CURC is a retirement council that advocates for the rights of older people to live their lives in dignity by giving a focus on this vulnerable sector of society.

In 1990, the United Nations passed a resolution addressing the rights of older persons and declared October 1st as International Older Persons Day.

Child Care Worker & Early Childhood Educator Appreciation Day

Correspondence was received from the OCBCC in conjunction with CUPE, Ontario Division, requesting a proclamation.

This day recognizes the commitment, hard work and dedication of Early Childhood Educators (ECEs) and staff who work with young children. This year it is an especially important focus as COVID-19 recovery is underway and parents return to the workforce.

Yearly this day is proclaimed by the OCBCC, CUPE, school boards and many municipalities across Ontario.

Council has previously granted this request.
