Dear Mayor Bevilacqua,

In 1990 the United Nations passed a resolution addressing the rights of older persons and declaring October 1st as International Older Persons Day.

During this horrible pandemic people have more than ever expressed the love and compassion for some of the most eldest citizens in our society.

As a retirement council that advocates for the rights of older people to live their lives in dignity we believe there is much work to be done for those most vulnerable.

We are hoping that your council would join other communities around the world by proclaiming October 1st Older Persons Day for your city.

I thank you for your consideration

Sincerely,
